40th Anniversary Retrospective Kathleen Sideli and Walter Nugent,2014-02-27 This 40th Anniversary Retrospective presents the reminiscences of the directors of Indiana

University's Office of Overseas Study from its creation in 1972 until the present day. They recount not only how IU faculty and administrators selected partners and locations around the world but also how they established systems at the university to facilitate student access and participation. Integrating such programs into a large public institution of eight campuses posed challenges as well as opportunities. While study abroad today is considered a high impact educational activity that students expect from a college experience, the eight authors show how unique such opportunities were just a few decades ago. Faculty and administrators who are tasked today with designing education abroad programs for students will appreciate and learn from this comprehensive overview of administrative and academic know-how. And those who had similar experiences during the past few decades will commiserate with the trials and tribulations inherent to internationalizing an institution of higher education.

Locust Projects: The 20th Anniversary Retrospective Locust Projects, 2019-05-07. The 20th Anniversary Retrospective from Miami's Locust Projects comprehensively documents and celebrates 20 years of groundbreaking contemporary art from the Southeast's leading alternative art space with a playful and sophisticated graphic design. Locust Projects, the Southeast's leading alternative art space, documents its first 20 years in *The 20th Anniversary Retrospective*. The cutting-edge art space offers contemporary visual artists the freedom to experiment with new ideas. Locust's ethos of encouraging exploration and breaking boundaries has at times extended to the very integrity of its physical space: think jackhammered floors. This volume includes a comprehensive visual record of over 150 exhibitions and projects, essays and commentary, a written timeline, and extensive quotes. Included are works by renowned artists such as Daniel Arsham, Hernan Bas, Nathan Carter, Francesca DiMattio, Jim Drain, Jon Pylpchuk, Retna, and Cristina Lei Rodriguez. The book includes text by director Lorie Mertes and board members Steve Lanster and Debra and Dennis Scholl. The innovative book design, like Locust Projects itself, experiments with convention. Visually referencing a calendar, the volume leads readers on a voyage of discovery through the organization's history, with each year's images visually bleeding into the next across French fold pages. The cover's thin strips of images are details from installation photos. This book will appeal to anyone interested in contemporary art, including artists, art lovers, collectors, students, curators, gallerists, and arts administrators.
