Revelation For Today:

Revelation for Today James M. Eiford, 1989 Revelation is the Bible's most puzzling book. Though it has inspired some of the world's greatest literature and art, to many readers the book remains a total mystery, a hodgepodge of strange mystical symbolism and obscure references. Now James M. Eiford provides a clear, readable look at the meaning of Revelation. Probing the mysterious book to its very core, Eiford offers the best of modern scholarship in an accessible way. Eiford places Revelation in its historical context, approximately AD 90, and explains its message for us today. Revelation for Today features an appendix on ways to teach the book, designed for pastors and church school teachers. **From Israel with Love** Dennis R.

Wilson, 2011-09 **Revelation for Today** Telford Barrett, 2009 The first six chapters give the Revelation of the exalted Saviour as King of Kings, who is able to carry out the judgments during the Tribulation Period. Chapter seven starts with the judgments contained in the Seven Sealed Book. The end result of these judgments is to destroy the power and institutions of the Devil. After the judgments are completed, the millennium will start, and finally, the establishment of the New Heaven and the New Earth, which will last forever. Born near Cleveland, Georgia, shortly after World War I, Dr. Barrett grew up on a farm during the Depression Era. When World War II broke out, he enlisted with the U.S. Air Force and served in the South Pacific Theater. It was during the war that he felt the Lord beckon him to His service. Once stateside, he married his sister's best friend, fathered a son, moved to Chattanooga, TN, and entered Tennessee Temple University and Seminary. He graduated in 1960. Following graduation, he was engaged with T.T.U. for 31 years, teaching Bible and History. During these years, he began a series of prophet conferences and week-long revivals focusing on the Book of Revelation. While engaged in these events, his name recognition grew, and attendees began requesting he write a book explaining Revelation that the lay person could read and understand. While the idea intrigued him, his time to devote to it was limited because of his other duties. After his retirement, his wife Bernice encouraged him to write that book to fulfill those requests. This is the book you now hold. During his retirement, he has continued teaching Bible in extension education classes for adults in his North Georgia community and will continue so long as the Lord is willing for him to do so. Anderson, 1994-01-01 *Onward to Victory* Pieter Kriel, 2015-08-31 Apart from a few well-known passages, the book of Revelation is a mystery to most Christians. The terrible images that are used are difficult to understand, and the little we do understand seems to present a picture of doom and gloom. However, the book of Revelation was written to comfort the persecuted believers who were facing daily onslaughts by the forces of evil. It has a powerful message for the believers of all ages, including today's believers. If you can get past all the seemingly incomprehensible imagery and unlock the code, you will find that its message is an integral part of the message that we find in the rest of the Bible. In fact, it is like the tip of the spear. Most of the important themes in the Bible, as a whole, find their fulfillment in the book of Revelation. The purpose of this book is not to give some radical new interpretation of the book of Revelation. It is to remain faithful to the message of the Bible as

a whole while opening this wonderful but often misunderstood part of Gods Word for todays believers This book will help you not only to understand the message of Revelation but also to apply it to your own life This will help you to persevere through difficulties and persecution until the victory of Christ is fully enforced in all of creation A study guide is included so that you can also use the book for group Bible study **Apocalypse Now and Then** Paul William Barnett,2004 **Revelation for Today** N. W. Hutchings,2003-01-01 The book of Revelation is beyond controversy the most misunderstood of all the 66 books of the Bible The reason is that the events prophesied in this book were not possible until the present generation This is a chapter by chapter and verse by verse commentary presented from a pre millennial pre tribulational position on eschatology The Bible reader will discover a new understanding of this exciting book The unsaved will be challenged to accept Jesus Christ as Savior and Lord and miss the coming Great Tribulation **Power and Purpose** Russell Lackey,2016-09-28 The book of Revelation is confusing to read Images of beasts trumpets plagues and even dragons fill its pages In his book Power and Purpose Russ Lackey guides readers on an adventure through the harrowing pages of Revelation in a clear and accessible way Along the journey issues such as economic and political injustice ecology evangelism and synthesizing faith with everyday life are raised with the hope of Christ woven throughout The main question of the book is not how does a person escape this world rather who is the Lord of this world Christians who pick up Revelation with this question in mind do not try to escape society rather they work to reform it Doing this they discover that true power and purpose comes from Christ the Lamb who was slain This is a must read for anyone desiring to better understand the book of Revelation

Revelation for Today Albert J. Kempin,1962 *Revelation for Today and Tomorrow* Charles M. Killough,1989

Revelation Craig S. Keener, 2000 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

Revelations in Context The Church of Jesus Christ of Latter-day Saints, 2017-08-16 This book contains stories told from the point of view of those who experienced the revelations in the Doctrine and Covenants giving us insight into their meaning While the section headings provide context for the revelations they don t tell the complete story What questions prompted the revelations What did the Lord s responses mean to those He addressed How did they respond Perfect for study with the Doctrine and Covenants

1_3 John and Revelation; New Testament Commentary Christopher Lambe, 2021-02-16 Unlike any other commentary on the New Testament Chris digs into ancient religious culture throughout the known world at the time John wrote his epistles and book on Revelation As the church started to accept and adopt false teaching in their day they began to worship idols in place of God like the Jews when they were sent to Babylon Both Old and New Testament Jewish cultures adopted the same images from the surrounding nations and began to worship pagan gods No matter Jew or Gentile John s teachings were all understood In today s world though it is different many are not taught after the manner of ancient culture and when one reads the Bible either the Old and New Testaments that references any form of symbolism as figurative language let alone Revelation it is foreign with descriptions of strange beasts candlesticks trumpets vials of wrath harps etc making no modern sense whatsoever However when looked upon with the view from ancient culture religion and myths about the heavens one can better understand the context John taught to the early church The way mainstream interprets the scriptures today has brought about much confusion

Cosmos and Revelation Peter R. Stork, 2021-09-30 Science and technology have profoundly altered the cosmic and societal perceptions of the world Regrettably the Christian imagination has not kept pace Most believers still adhere to pre scientific views Cosmos and Revelation urges the Christian community to reimagine God s creation by engaging the data of science For if God has indeed brought forth an intelligible world for us to explore through scientific

research those who profess this faith ought to as a minimum allow scientific findings to expand their theological horizon Drawing on his scientific qualification and academic background in theology Peter R Stork opens several windows on God's creation from galactic star nurseries to the wonderland of living cells After rereading Genesis 1 and 2 the author interlaces examples and reflections to present a coherent yet provocative sketch of the new landscape that spreads out before us leaving it to his readers to intuit for themselves the immensities Christians are challenged to embrace in the age of science

Coming Soon Michael Patrick Barber, 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation The seven seals The dragon The beast The sea of glass The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many In the midst of so much discussion about the end times what does Revelation teach us about living in the present moment with our eyes focused on the heavenly Jerusalem Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy history and biblical allusion Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow *Coming Soon* is a verse by verse commentary on the Book of Revelation using the Revised Standard Version Catholic Edition of the Bible Barber provides a Catholic interpretation which sees the liturgical background of this book of Scripture a perspective missing in many Protestant commentaries **Bible Inspiration, Preservation, and Authority: The Bible as God's Revelation** David Pratte, 2019-10-15 A study of what the Bible itself says about its

inspiration preservation and authority Scripture as a complete and perfect religious guide Topics included are The Inspiration of the Bible The Historical Nature of Bible Accounts The Preservation of the Bible The Need for Bible Authority The Authority of Bible Examples and Necessary Inferences The Authority of the Old Testament Today Direct Guidance of the Holy Spirit Today Human Creeds or Majority Rule Let Your Conscience or Emotions Be Your Guide Church Traditions

The Revelation of Jesus Christ Alfred J. Chompff, 2013-05-08 This book is a commentary on the Revelation of Jesus Christ from a totally Biblical perspective stripped from all speculation about the end times The Author is a pastor at the Reformed Bible Church in Southern California The author was trained to be a self studying Chemical Engineer has held research positions at Ford Motor Company in Dearborn Michigan and at the University of Southern California in Los Angeles and at Avery Research Center in Pasadena California The Lord has allowed us to expand our services in having two weekly Bible Studies within the medium of Skype allowing conference calls with people in the USA and the UK and Australia **Parody and Counterimaging in the Apocalypse** Joe E. Lunceford, 2009-10-01 As numerous scholars have noted The Revelation was first received orally Directed not merely to the intellect its author deliberately employed different literary schemes and devices to evoke the imagination of his audience In this new study Joe Lunceford examines the specific use of parody and counterimaging in The Revelation arguing that this often overlooked device was an essential means by which its author

engaged the imagination of his readers and hearers In light of the best of recent scholarship on The Revelation Lunceford examines over thirty uses of this device most notably the contrasting images of the evil trinity of dragon beast from the sea and beast from the earth and the Holy Trinity **The Watchman** ,1904
