## **Revelation Revisited St Johns Visions Of The Fu:**

The Revelation to John Stephen S. Smalley, 2012-07-05 Stephen S Smalley demonstrates the fruitfulness of reading John's Apocalypse like a two act drama with a marked sevenfold patterning His theological and literary analysis of the Greek text puts Revelation squarely in the hands of contemporary readers demonstrating its power to transcend barriers of culture and history Now in paperback      **"Revelation! After Darwin John F. Haught, 2018-05-04 In *God After Darwin* eminent theologian John F. Haught argues that the ongoing debate between Darwinian evolutionists and Christian apologists is fundamentally misdirected. Both sides persist in focusing on an explanation of underlying design and order in the universe. Haught suggests that what is lacking in both of these competing ideologies is the notion of novelty, a necessary component of evolution and the essence of the unfolding of the divine mystery. He argues that Darwin's disturbing picture of life, instead of being hostile to religion as scientific skeptics and many believers have thought it to be, actually provides a most fertile setting for mature reflection on the idea of God. Solidly grounded in scholarship, Haught's explanation of the relationship between theology and evolution is both accessible and engaging. The second edition of *God After Darwin* features an entirely new chapter on the ongoing controversial debate between intelligent design and evolution, including an assessment of Haught's experience as an expert witness in the landmark case of *Kitzmiller v. Dover Area School District* on teaching evolution and intelligent design in schools. **Blessing**

**the Curse?** Ksenija Magda, 2020-09-30 The message of the kingdom of God as brought to us by Christ is a message that overturns hierarchies, sets free the enslaved, and breaks the power of the curse upon humanity. Yet when it comes to women, the church has chosen all too often to live according to the structures of sin and death, offering them not the good news of Christ but the curse of Genesis as their inheritance. In this powerful and challenging text, Ksenija Magda traces the impact of the curse and the ever-present temptation to choose the world and its power over the servant-hearted humility of Christ on our families, our church structures, our nations, and ultimately our gospel witness. The question of how we view, treat, oppress, or empower women is not, Magda reminds us, peripheral to the gospel but foundational. She warns that if men and women will not partner together in building the kingdom of God, they will find themselves partners in the work of upholding the world's structures of power and oppression. Will we choose to bless the curse or to redeem it? To live in the death that our foreparents chose in the garden or accept the life and freedom held out to us by Christ? This is a question upon which human history and the hope of our restoration hangs. **Biblical Foundations of Spirituality** Barbara E. Bowe, 2017-01-26 *Biblical*

*Foundations of Spirituality* invites readers to touch a finger to the flame of the Bible by offering guidance on what, how, and why to read Scripture as a source of spiritual nourishment. The second edition builds on Barbara Bowe's acclaimed book with two new chapters by Laurie Brink and John R. Barker, introducing key theological concepts and exploring how biblical spirituality was first experienced and expressed in early Christian communities. The book begins by exploring the many meanings of the word spirituality, then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life. Updated to reference the latest scholarship, this book helps make the Bible more accessible and shows how it can be relevant to life today. The book stresses the spiritual dimension of biblical figures, search for God, and shows how their insights about God, from successes to dead ends, can reflect our contemporary searching and struggles. *Biblical Foundations of Spirituality* reveals the spiritual wisdom of the Bible.
