this guide focuses primarily on biblical end times and the abuse of political authority In the third part Haitel reflects upon not only the finale of humanity as described in the Bible but also the finale of an individual s physical life here on earth and what to expect after the body returns to the dust of the earth Are we just complex biological accidents or are we immortal spiritual eternal beings Written in a straightforward down to earth fashion *Origins and Grand Finale* offers a unique opportunity to understand the perfect harmony between science and theology **On Islam** Abraham Kuyper,2018-01-17 At the beginning of the twentieth century famed theologian Abraham Kuyper toured the Mediterranean world and encountered Islam for the first time Part travelogue part cultural critique *On Islam* presents a European imperialist seeing firsthand the damage colonialism had caused and the value of a religion he had never truly understood Here Kuyper s doctrine of common grace shines as he displays a nuanced and respectful understanding of the Muslim world Though an ardent Calvinist Kuyper still knew that God s grace is expressed to unbelievers Kuyper saw Islam as a culture and religion with much to offer the West but also as a threat to the gospel of Jesus Christ Here he expresses a balanced view of early twentieth century Islam that demands attention from the majority world today as well Essays by prominent scholars bookend the volume showing the relevance of these teachings in our time *Fearless Living in Troubled Times* Michael Youssef,2017-08-01 How Can I Live Out My Faith Amid a World in Distress Imagine a life of peace and purpose in the face of global disasters increasing persecution and economic instability Is it really possible to live fearlessly in such troubled times Dr Michael Youssef points to the first century church guiding you through the practical wisdom and powerful hope found in 1 and 2 Thessalonians Paul s letters to believers who lived in a hostile world Through these chapters you will discover how to experience a productive God honoring life now while also looking toward eternity overcome the fear of criticism affliction and even death with the right perspective understand the true nature of the end times and what you can expect in the future Explore what it means to be part of God s family in a day when people desperately need to see your unwavering faith **Catalog of Copyright Entries. Jesus Delayed J.E. Gulbrandsen,2016-07-22 With so many different and at times conflicting views within multiple Christian denominations it can be a challenge to discern the truth from erroneous teaching The popular mainstream view is that Jesus will soon return to take his children via the Rapture thus sparing them from the suffering that will engulf the world during the tribulation when Satan is fully let loose upon the earth However by laying out a relentlessly researched argument author J E Gulbrandsen invites you to consider a compelling reliable and rigorous exploration of why the commonly held view based on dispensationalism is not in fact biblically accurate His teaching clearly fall in the ballpark of Partial Preterism In fact the Kingdom of Christ has been already established We see evidence of this today and once we fully apprehend what this means for us as believers our walk with Christ and our work for the Kingdom will be profoundly impacted Instead of fearing the enemy we can walk in confidence and power knowing that Satan is bound This is not a future event it is done Jesus won over Satan on the cross he is now under our feet tied up for a thousand years in the Abyss With so much discouragement and bad news barraging us from every side of this we can be certain things are not getting worse As you will discover in Jesus Delayed they are in fact getting better and better and will continue to do so until Christ finally returns as promised for his victorious bride the Church

Will Humanity Survive Religion? W. Royce Clark,2020-06-22 When the human sciences in the West followed the physical sciences in the 18th and 19th centuries with new measurements methods and language the metaphysics of infinity lost its credibility The response of Western religions was to retrench in a stronger authoritarianism especially by the last half of the 19th century While the new human sciences were being extended even to study the history and philosophy of religions those religions themselves placed more emphasis on their understanding of the Absolute or Unquestionable That split became a burden both to those who were religious and to those who were not Here W Royce Clark argues that humanity s survival may depend on the development of a universal or inclusive ethic in which religions move beyond their Absolutes Clark poses the sharp challenge Are religious communities ready to abandon the foundations that until now they have insisted were the only adequate foundation for ethics

Hearing John's Voice M. Eugene Boring,2019-11-05 This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture But how can Scripture offer any specific guidance for hearers lives today What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation What are we to make of a man who turns water into wine while comparing himself to bread Can people today know what the Bible says and

means The world of the Bible is strange and distant not only in time and space but also in language culture and in its basic assumptions about reality The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it Communication across the gap is the task of the church s preachers and teachers Drawing on his years of teaching and study Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously a message from a world different from our own Beginning with Revelation Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers

The Return of the Kingdom Stephen G. Dempster,2024-03-19 In this ESBT volume Stephen Dempster traces the themes of kingship and kingdom throughout Scripture illuminating the challenges pain and ultimate hope that the Bible offers The story of God s kingship is ultimately the fulfillment of a promise to defeat sin and death and to establish a world of peace and justice
