**Revelation Unsealed!** D. M. Wessel, 2003-10 The Revelation to John is a sealed book which means it is closed up and only the Biblical law of witnesses can unlock it s secrets The Book of the Revelation William R. Newell, 2016-04-22 This classic is organized as follows Introduction Part One Judgment Chapter 1 Opening Message Revelation 1 Chapter 2 The Seven Letters Revelation 2 3 Chapter 3 The Throne Of Adjudication In Heaven Revelation 4 5 Chapter 4 Six Seals Opened Revelation 6 Chapter 5 The Sealed Israelites Revelation 7 1 8 Chapter 6 The Seven Trumpet Angels And The Other Angel Revelation 8 1 5 Chapter 7 Locusts And Hellish Horsemen Revelation 9 Chapter 8 No Longer Delay Revelation 10 Chapter 9 God's Last Prophets The Two Witnesses Their Tremendous Task Revelation 11 Chapter 10 The Woman The Dragon The Man Child Revelation 12 Chapter 11 The Beast And His Prophet Revelation 13 Chapter 12 The 144 000 On Mt Zion Revelation 14 1 5 Chapter 13 The Six Other Angels Revelation 14 6 20 Chapter 14 The Seven Last Plagues Revelation 15 16 Chapter 15 The Judgment Of Babylon Revelation 17 18 Chapter 16 Marriage Of The Lamb Revelation 19 1 10 Chapter 17 The Great Day Of Wrath Revelation 19 11 20 3 Chapter 18 Satan Bound The Millennium Revelation 20 4 10 Chapter 19 The Great White Throne Judgment Revelation 20 11 15 Chapter 19 The Great White Throne Judgment Revelation 20 11 15 Part Two New Creation Chapter 20 The New Creation Revelation 21 l 8 Chapter 21 The New Jerusalem Revelation 21 9 22 5 Chapter 22 Closing Messages Revelation 22 6 21 Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to represent his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality Revelation's Hymns Steven Grabiner, 2015-02-26 Revelation's Hymns examines the hymnic pericopes in Revelation in light of the cosmic conflict theme It considers this theme as integral to the development of Revelation's plot Recognizing that critical studies give interpretative primacy to the political realities that existed at the time of Revelation's composition Grabiner responds to the need for an

examination of the storyline from the perspective of issues that are of narrative importance Grabiner argues that the cosmic conflict is at the centre of the book s concerns and attempts to determine the function of the hymns with respect to this Previous examinations of the hymns have considered them as a response and or parody to Roman liturgy examples of God s unquestioned sovereignty or expressions of thematic overtones found throughout the book While these approaches make a contribution to a greater understanding of the hymns the relation to the ever present conflict theme has not been explored This study allows the hymnic sections to engage with the larger narrative issue as to who is truly the rightful sovereign of the universe Revelations of a Single Woman Connally Gilliam, 2014-12-05 Turning our culture s Sex in the City worldview completely upside down Revelations of a Single Woman celebrates God s enticing life giving promises even when life takes you down a path you didn t plan for Connally Gilliam explores what it means to live in a world for which her mother never could have prepared her Through this collection of thoughtful honest and humorous memoirs the author delves into what it really means to be the remainder in a world that caters to couples and what it means to be the one who lives out moral values that her peers think died in the sixties As readers walk with Connally through each humorous and poignant experience they will discover that God doesn t promise happiness somewhere in the future but abundant life in the here and now

examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible The New Testament and the Future of the Cosmos Ryan P. Juza, 2020-11-05 The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament It invites the reader to grapple with two interrelated questions along with the author 1 What did the writers of the New Testament teach about the fate of the cosmos and 2 can we synthesize their teachings into a coherent New Testament theology By offering a close reading of key texts that inform the topic most notably Matt 24 29 31 Mark 13 24 27 Luke 21 25 28 Rom 8 19 22 Heb 12 25 29 2 Pet 3 4 13 and Rev 21 1 5 it is argued that one can with certain qualifications ascertain a clear and coherent New Testament message pertaining to the future of the cosmos Along the way new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos God's judgment of the heavenly powers of evil as a key component to the cosmic transition At present these hostile powers hold the cosmos captive to death but on the Day of the Lord they will be overthrown setting the stage for a materially transformed world to emerge from the hand of God Narrative Criticism of the New Testament James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible **IDEALISM: Perfect Idealism Defined Within The Already But** Not Yet donald perry, 2018-11-25 This commentary on the book of Revelation is from a Reformed Orthodox Idealistic and Futuristic point of view Previously I have wrestled with different Preterism and Redirectionalism views However once I fully understood salvation from the Reformed perspective the Lord saw fit to give me better understanding of the book of Revelation and Eschatology Previously I was under the belief of OSAS Charles Stanley heresy Concerning the eschatological perspective We know that the Lord promised the seven churches in Revelation that He was coming to them and that the faithful churches would remain Thus His word was fulfilled Yet the resurrection change of 1 Cor 15 for the living did not happen as far as they could tell This means that the second coming is now in the present idealistically while we wait Therefore we sanctify ourselves and the church for when He shall appear When He comes He will make an end of sin our sin nature forever and pain and death will end **Did it Really Happen?** Jonathan A. Wood, 2019-09-04 The Bible makes

remarkable claims about people and events in world history Creation Adam and Eve Israel s escape from Egypt the rise and fall of Israel s kingdom the birth of the Messiah Jesus Christ s life death and resurrection the growth of the church all points of interest by scholars for the historical veracity of the Scriptures Yet the Bible does not appear to present the acts of God in history for the purpose of vindicating historical accuracy of the text The Bible is a story that reveals the living God through inspired writings that communicate the meaning of historical events In light of the Bible as the revelation of God and the high stakes of historical veracity for the claims of the Bible how should Christians approach the interpretation of the Scriptures in a faithful way Carl F H Henry offers guidance as a foremost theologian regarding God revelation and the Scriptures In Did it Really Happen Jonathan Wood engages the thought of Carl Henry in dialogue with the major alternatives to revelation history and the biblical text The value of Carl Henry s approach is shown to provide a path forward for affirming the historicity of the Bible while interpreting the text well

Israel, the Church, and Millenarianism Steven D. Aguzzi,2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel s replacement the early Church s promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ s reign in the Church was viewed as provisional to his historical reign on earth Israel s role in salvation history was and is not yet complete Aguzzi s research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel s acceptance be but life from the dead Romans 11 15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God s future and the coming Parousia of Christ
