Revelation X The Hidden Teachings And Deuterocanonical Text Of J R Bob Dobbs:

Revelation X, 2007-01-02 You think you know satire You've seen Jon Stewart you've read Mad magazine But you've never encountered anything like Bob and the Church of the SubGenius The SubGenii have reached the limits of satire and pressed further and in doing so have created a brand of satire that curtails its own absurdity and heightens our awareness of the world we live in The SubGenii have never been as relevant as they are today Fundamentalist religion in the extreme there are no limits to Bob's influence In *Revelation X* we get answers to difficult questions We learn the 10 001 Essences of Bob and He tells of His Very Own Conspiracy Revealed for the first time are the Lost Gospels the Epistles the history of Mondo Connie and a detailed description of Bob's Heaven and Hell Also included are the 273 Damnable Venial Black White Deadly Menial and Trivial Sins which include Buffalo Frenching 4 Luck Listening 40 Wedbetting 76 and Reading judgmental lists of so called sins 273 Handbook of Conspiracy Theory and Contemporary Religion Asbjørn Dyrendal, David G. Robertson, Egil Asprem, 2018-10-02 Conspiracy theories are a ubiquitous feature of our times The Handbook of Conspiracy Theories and Contemporary Religion is the first reference work to offer a comprehensive transnational overview of this phenomenon along

with in depth discussions of how conspiracy theories relate to religion's Bringing together experts from a wide range of disciplines from psychology and philosophy to political science and the history of religions the book sets the standard for the interdisciplinary study of religion and conspiracy theories **Revelation X** J. R. Dobbs, SubGenius Foundation, 1994 At last the long awaited sequel to the underground bestseller *The Book of the SubGenius* an even more radical more twisted and more hilarious journey into the wild world of Bob With an appendix of epistles and apostles this is the most intoxicating portrait yet of the Church of the SubGenius and its infamous leader *Pranksters* Kembrew McLeod, 2014-04-01 From Benjamin Franklin's newspaper hoax that faked the death of his rival to Abbie Hoffman's attempt to levitate the Pentagon pranksters hoaxers and con artists have caused confusion disorder and laughter in Western society for centuries Profiling the most notorious mischief makers from the 1600s to the present day *Pranksters* explores how pranks are part of a long tradition of speaking truth to power and social critique Invoking such historical and contemporary figures as P T Barnum Jonathan Swift WITCH The Yes Men and Stephen Colbert Kembrew McLeod shows how staged spectacles that balance the serious and humorous can spark important public conversations In some instances tricksters have incited social change and unfortunate prank blowback by manipulating various forms of media from newspapers to YouTube For example in the 1960s self proclaimed professional hoaxer Alan Abel lampooned America's hypocritical sexual mores by using conservative rhetoric to fool the news media into covering a satirical organization that advocated clothing naked animals In the 1990s Sub Pop Records then receptionist Megan Jasper satirized the commodification of alternative music culture by pranking the New York Times into reporting on her fake lexicon of grunge speak Throughout this book McLeod shows how pranks interrupt the daily flow of approved information and news using humor to underscore larger pointed truths Written in an accessible story driven

style Pranksters reveals how mischief makers have left their shocking entertaining and educational mark on modern political and social life Networked Art Craig J. Saper, 2001 The experimental art and poetry of the last half of the twentieth century offers a glimpse of the emerging networked culture that electronic devices will make omnipresent Craig J Saper demarcates this new genre of networked art which uses the trappings of bureaucratic systems money logos corporate names stamps to create intimate situations among the participants Saper explains how this genre developed from post World War II conceptual art including periodicals as artworks in themselves lettrist concrete and process poetry Bauhaus versus COBRA Fluxus publications kits and machines mail art and on sendings The encyclopedic scope of the book includes discussions of artists from J Beuys to J S G Boggs and Bauhaus s Max Bill to Anna Freud Banana Publisher *Journal of Ecological Anthropology*, 2001 Revelation X Ivan Stang, 1994 The Secret Book of Revelation Gilles Quispel, 1979 An Exposition of the Book of Revelation Odell Furtick Jr., 2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God
