The Rapture: From the Ground Up Richard L. Guthrie,2014-04 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end

This book speaks to the majesty of the King James Bible in both its literary contribution to the English language and how it distinguishes itself from the previous English translations and those that have been attempted since The authors address the doctrines of Inspiration and Preservation and that by faith believe that only the King James Bible is worthy of being called the inspired preserved word of God in the English language The authors cover the Process of Bible translation by committee and the rules by which they were provided as guidance by the king at the Hampton Court conference Specifically the doctrinal impact of the Third Rule whereby the translators were to keep the old Ecclesiastical words such as Church not to be translated as Congregation Other words to be used were Charity in addition to Love Baptisms as well as Washings and the distinction between Covenant and Testament is clearly seen in the context where the words are used In addition to the doctrinal import there is considerable attention given to the printing technology of the fourteenth to sixteenth centuries and a dissertation on the artwork of the first edition printed in 1611 The practical results of preaching the King James Bible in places like the Philippines and other foreign lands are presented with plentiful illustrations and examples Lastly the authors have included the Epistle Dedicatory and Translators to the Reader that were provided in earlier editions of the King James Bible but sadly seldom printed in the newer editions 2 From Patriotism To Prison Jimmy Ates,2024-02-02
