 Dr. Elizabeth Thambiraj,2015-08-11 Struggles in our relationships often point to an issue only God knows The mountains and valleys we face regarding relationships are often tiny spots to God We can trust God because He is faithful By trusting in His promises and understanding His unconditional love for us it is possible to scale the unscalable and repair our relationships Over the years marriage has changed In her book Mystery of Relationship through the Lens of Scriptures Marriage Sex and Intimacy author Dr Elizabeth Thambiraj explains those changes and the strains put on marital relationships Despite difficulties Elizabeth Thambiraj shows how the marriage covenant can be maintained through God She points us to the happiness security self worth and confidence available from our Maker Youll be reminded that fear lust and jealousy are not part of true love The author also reminds us that to love someone unconditionally means to love the other person in the past present and in the future even when the person disagrees with your opinion On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden and provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness understanding patience and forbearance If we feed our lustful tendencies we have committed adultery long before the physical act itself Dr Jerry L Ogles Presiding Bishop Anglican Orthodox Church Anglican Orthodox Communion Worldwide **Through the Thicket** Ivan W. Bowden,2017-12-22 Unceremoniously dismissed from his lectureship in New Testament Dr Edward J Sutherland uses his forced retirement to struggle through a thicket of end times issues in a conservative church Interaction with a defense lawyer induces him to reconsider his inherited eschatology by engaging honestly with the biblical text He faces conflict within himself with a crusading dispensationalist church elders a newly appointed American pastor and a militant atheist Set in the Sunshine Coast of subtropical Australia the book goes beyond entertaining through romance touches of humor and conflict resolution Readers are exposed to vigorous discussions at a surf club a backyard barbecue a second coming conference in a neighbor s lounge room or via email They are forced to examine their presuppositions on topics including the rapture the antichrist the tribulation the purpose of Christ s second coming and the kingdom of God Whether they alter their views on such topics is less important than that they cultivate sound principles of biblical interpretation uphold the integrity of Jesus and the biblical authors and respect fellow Christians with whom they disagree **Global Bible Commentary** Teresa Okure,2004 The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions These scholars have approaches and concerns that often are poles apart Yet they share two basic convictions biblical interpretation always matters and reading the Bible with others is highly rewarding Each of the short commentaries of the Global Bible

Commentary is a readily accessible guide for reading a biblical book. Written for undergraduate and seminary students and their teachers as well as for pastors, priests, and Adult Sunday School classes, it introduces the users to the main features of the biblical book and its content. Yet each short commentary does more. It also brings us a precious gift: namely, the opportunity of reading this biblical book as if for the first time. By making explicit the specific context and the concerns from which she/he reads the Bible, the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked.

If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation, this is it. Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting. In so doing, they shed eye-opening light on the biblical texts. The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while at the same time showing how the Bible might address the social, political, cultural, and economic dynamics of our world today. This collection can change the way you read the Bible, scholars and students, clergy and laity alike.
