Revelation Of Jesus:

Revelation of Jesus Christ Ranko Stefanović,2002 **Fire Eyes** John Dickey,2009-03-06 It could be that the entirety of creation seen and unseen as well as the whole of the Bible have pivoted upon a moment in time a single decision one response With the weight the enormity of what lay before Him crashing upon His mind Jesus Himself in the garden of Gethsemane the night of His betrayal asked the Father to change the plan Take this cup away from Me He prayed We don't know how long that desire remained but the next thing He said was indeed the fulcrum of God's universal reconciliation He prayed Nevertheless not My will but Yours be done The choice was so challenging for Him that the scriptures say His sweat became bloody Yet with His mind thus set He continued on to the cross The Revelation of Jesus Christ Lynn Hiles,2011-07-28 For anyone struggling to understand John's writings in Revelation this book provides true Biblically based answers Through detailed insight into the letters John wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first Adam mentality to overcome today's trials and tribulations The more you understand the Book of Revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon's mouth This overflow of propaganda has kept the human family afraid to even read the Book of Revelation when in fact it is the only book in the Bible that declares a built in blessing to those who read and understand it **The Revelation of Jesus Christ** David Hall,Denise Hall,2018-10-24 Not found on any map the Valley of Decision is a place of indecision a quagmire of noncommitment stalling forward motion It's the anxious middle place whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ Polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe Yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with God The Revelation of Jesus Christ Standing in the Valley of Decision explores the book of Revelation as the source of God's true prophecy for what our future holds Authors David and Denise Hall offer verse by verse commentaries on Christ's revelation omitting nothing and using the Bible to interpret itself with scriptural citations supporting every point Believers are invited to take notes and engage in active Bible study as they learn how end time prophecies are being fulfilled today In what time is left the choice is clear personal and simple freely stand with God and have your sins washed away and your ransom paid or face the eternal consequence of separation Choose now and soon because the time of His return draws near The time to study Revelation is now and The Revelation of Jesus Christ Standing in the Valley of Decision will help all those seeking truth in the name of the Father the Son and the Holy Spirit The Revelation of Jesus Larry W. Wilson,1992-10 **The Revelation of Jesus Christ** Ralph Dorman,2016-01-13 The Revelation of Jesus Christ is an in depth study of the end times according to the book of Revelations in The Word of God **The Revelation of Jesus Christ** Wallace Shows,2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and

misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are *The Churches of Revelation* Dr. David Bernhard Bowers,2023-02-09 Every student of the Bible approaches the book of Revelation with a sense of awe as they attempt to fold the greatness of God within the mind of humanity Many rush to examine the significant prophecies without adequately dealing with the introductory chapters Exploring the beginning chapters of the Revelation of Jesus Christ with a modern application Dr David B Bowers examines the initial communiqué given by our Lord to the Apostle John The churches of Revelation within reflect not only the status of the true Christian church throughout history but also reveal significant elements of the church in modern times that must not be missed Behold, the Revelation of Jesus Christ James E. Smith, Ph.D.,2016-12-08 An introduction to the Book of Revelation in the New Testament is followed by a verse by verse commentary on the biblical text

A View from Above J. W. Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for God s Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of Revelation s message your anticipation of Jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us **The Revelation of Jesus Christ** John F. Walvoord,1975 **The Revelation of Jesus Christ** Alex (Lazaro) Figueroa,2020-09-29 This book The Revelation of Jesus Christ has been written on each chapter of the book of Revelation Each chapter is written in plain English giving the reader understanding of the symbols in the chapter and the book of Revelation Each symbol in the book of Revelation can be found throughout the Scriptures thus giving us the meaning and understanding of each one If the

wrong meaning or understanding of each symbol is given then the entire book of Revelation is misunderstood Within the pages of this book we find the battles and victories of God's church down through the ages of time Therefore we can see God's people and the spiritual battles that were won by conquering the enemy of their time These same battles are taking place in many places today but we will be able to understand that God has a people and has always had a people who will stand for truth and right The book of Revelation is a misunderstood book and one often feared by many But read with understanding it can be blessing to God's people everywhere This book Revelation of Jesus Christ was originally written and printed in Spanish Because of the large demand it has been translated into English The Revelation of Jesus Christ Stephen Kaung, The book of revelation is the last of the sixty six books of the Bible As such it is the concluding word of God and therefore occupies a special position Whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of God's word The content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on Revelation spoken by the author in respectively the year 2007 and back during the 1950s After these many years and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of God's people may receive the promised blessing It is our prayer that all who shall read this book will receive God's blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ

The Revelation of Jesus Christ to John: Using the Bible to Interpret the Bible Jeffrey J. Harrison, 2023-04-17 How did the early Messianic believers understand the book of Revelation How did they understand its often strange and bewildering symbols The answer is surprisingly simple they used the Bible to interpret the Bible Modern scholars have long noted the similarities between the images of Revelation and those found elsewhere in the Bible But rarely has this been used as a method to interpret Revelation's meaning By reviving this ancient method Pastor Jeff Harrison brings clarity to John's visions and makes their message make sense to us today Harrison claims no privileged knowledge of the future but restricts himself to the text of the Bible in the original languages Jewish culture and religion and well known facts of history The message that emerges is a challenging one encouraging Christians to faithfulness and devotion in these dangerous last days The Revelation of Jesus Christ to John is one of Pastor Harrison's most popular seminars It has been presented to thousands of students in the U S Canada the Philippines and Taiwan It reflects his study with some of the top Israeli archeologists and Christian scholars in Jerusalem and is enriched by his years as a study tour teacher in Israel This published version includes not only the same fresh translation of Revelation used in the seminars but also a new literal translation of all supporting scripture verses from the original languages The second edition includes several small changes including a larger font size improved clarity at various points in the explanation and additional references to support assertions made in the text

The Revelation of Jesus Christ David Wilson, 2017-08-21 The book of Revelation is a book that contains the revelation of Jesus

Christ which God gave to him for one specific purpose What is that To show unto his servant John things which must shortly come to pass Revelation despite what many people believe or say is not the revelation of John The Word tells us point blank that the book of Revelation is the revelation of Jesus Christ John was only the vessel that Jesus used to write the warning to the churches and to the saints of what the future holds for the world Jesus is coming back The scripture says that He is coming with clouds every eye shall see Him and all the people of the earth shall wail Jesus tells us who He is the Alpha and Omega the beginning and the end the Almighty
