Revenge In Laredo:

Revenge in Laredo Erle Adkins, E Adkins, 1987-09 It had been twenty years since the Blue and Gray called it quits Now a man returns to Laredo to finish the war in a bloodbath of gunpowder and smoke **Storms Brewed in Other Men's Worlds** Elizabeth Ann Harper John, 1996 Spanning two and a half centuries from the earliest contacts in the 1540s to the crumbling of Spanish power in the 1790s Storms Brewed in Other Men's Worlds is a panoramic view of Indian peoples and Spanish and French intruders in the early Southwest The primary focus is the world of the American Indian ranging from the Caddos in the east to the Hopis in the west and including the histories of the Pueblo Apache Navajo Ute and Wichita peoples Within this region from Texas to New Mexico the Comanches played a key formative role and no less compelling is the story of the Hispanic frontier peoples who weathered the precarious often arduous process of evolving coexistence with the Indians on the northern frontier of New Spain First published in 1975 this second edition includes a new preface and afterword by Elizabeth A H John in which she discusses current research issues and the status of the Indian peoples of the Southwest Turning Adversity to Advantage Nancy McGown Minor, 2009 This book tells the story of the Lipan Apaches once one of the largest and most aggressive tribes of the Rio Grande region The story of the history of the Lipan Apaches is a tale of survival and preservation in the face of incredible challenges *Film and Morality* Philip Gillett, 2013-02-14 Employing a thematic approach and drawing on disciplines ranging from neurobiology to philosophy Film and Morality examines how morality is presented in films and how films serve as a source of moral values While the role of censorship in upholding moral standards has been considered comprehensively the presence of moral dilemmas in films has not attracted the same level of interest Film makers may address moral concerns explicitly but moral dilemmas can serve as plot devices creating dramatic tension by providing pivotal moments when characters are called upon to make life changing decisions Drawing on a range of well known and neglected films mainly from Britain and America this book provides numerous examples of how film makers make use of morality and how audiences are invited to explore moral issues by following characters who live with the consequences of their choices Film and Morality introduces philosophical debates on such topics as free will conscience and the place of moral codes in everyday life showing the relevance of film to these issues The book presents a distinct approach to how films might be analysed Ralph Compton Ride the Hammer Down Terrence McCauley, Ralph Compton, 2020-12-15 In this racing new installment in bestseller Ralph Compton's the Gunfighter series Marshal John Beck is a man who has spent his career dispensing justice throughout the West but now the justice is personal Marshal John Beck was the law in the dangerous town of Mother Lode Arizona On his own he'd managed to keep bandits rustlers and desperados at bay It was a tough job for one man to handle but he made it work until the day Bram Hogan and his Brickhouse Gang got the drop on the lawman They beat Beck to within an inch of his life and dropped him in the desert where nothing but a slow painful death awaited him But the gang underestimated Beck Even at his lowest point he found a

way to survive Now he s coming back and anyone who stands against him is going to ride the hammer down to the grave
