Benedict, 2010-04-01 The Lonely Soldier the inspiration for the documentary The Invisible War vividly tells the stories of five women who fought in Iraq between 2003 and 2006 and of the challenges they faced while fighting a war painfully alone More American women have fought and died in Iraq than in any war since World War Two yet as soldiers they are still painfully alone In Iraq only one in ten troops is a woman and she often serves in a unit with few other women or none at all This isolation along with the military's deep seated hostility toward women causes problems that many female soldiers find as hard to cope with as war itself degradation sexual persecution by their comrades and loneliness instead of the camaraderie that every soldier depends on for comfort and survival As one female soldier said I ended up waging my own war against an enemy dressed in the same uniform as mine In The Lonely Soldier Benedict tells the stories of five women who fought in Iraq between 2003 and 2006 She follows them from their childhoods to their enlistments then takes them through their training
