Revenue Law Revision Workbook:

Revenue Law Q and A Mohamed Ramjohn, 2021-03-25 Revenue law is a dynamic challenging and practical subject concerned with the fiscal implications inherent in the conduct of one's affairs. It is essentially statute based and has been interpreted by the courts in a wealth of cases. Many students are filled with trepidation in reading the subject at undergraduate level or for professional examinations. The aim of this book is to assist students in their revision of the subject by enabling them to gain experience in answering examination questions particularly in relation to the five main tax areas: income tax, value added tax, capital gains tax, corporation tax and inheritance tax. This edition includes many new questions and substantial revisions to other questions in the light of recent changes such as the 1998-99 new tax tables, the Finance Acts 1997 and 1998 and recent decisions such as *Brown v Richardson*, *IRC v Willoughby*, *IRC v McGuckian* and *Schuldenfrei v Hilton*.

Introduction to Contract Law - REVISION GUIDE Johanna Hoekstra, 2021-12-17 This book discusses the principles and rules of general contract law in England Wales It examines the key points and rules of contract law starting with the formation of the contract and ending with the remedies for breach of contract In this it follows the structure most used in contract law modules at universities Please also note that this book takes into account developments of the law up until July 2021 Contract law is a core module in legal higher education in the UK Contract law is also an important basis for many other law modules including maritime law company law commercial law and arbitration law This book gives a clear oversight of the main issues of key contract law topics It summarises the issues in a concise and precise manner and uses practical examples throughout to clarify how the law is applied Key cases are used to explain and illustrate the principles of the law This book is an ideal companion guide for exam revisions The chapters follow a question and answer model that makes it easy to find information on a specific issue The chapters end with a problem solving scenario on key issues of the topic and a list with key cases which will be helpful in preparing for examinations At the end of the book you find a further reading list and a set of sample multiple choice questions which can be used to help prepare for the first stage of the SQE examination

that will be introduced in September 2021 Contract Law is generally taught as a first year subject which could be a daunting subject This book helps students to revise this subject effectively as it brings together all key areas of contract law that a student should be familiar with when preparing for examinations drafting coursework and preparing for seminars It examines the key points and rules of contract law starting with the formation of the contract and ending with the remedies for breach of contract The book is written in plain language in the form of questions and answers It is detailed without being too long succinct but covers all key cases and developments in the area The multiple choice questions at the end of the book are very beneficial for students preparing for the SQE and exams that follow a similar format I would recommend this book wholeheartedly Dr Aysem Diker Vanberg Lecturer in Law Goldsmiths University of London

Q & A Revision Guide Public Law 2013 and 2014 Richard Clements, Philip Jones, 2013-01-10 Q A Public Law offers a lifeline to students revising for exams It provides clear guidance from experienced examiners on how best to tackle exam questions and gives students the opportunity to practise their exam technique and assess their progress

Introduction to EU Law - Revision Guide Özgür Heval Çınar, 2021-02-02 The real reason for the emergence of this book is that it is hard to find resources to explain complex issues of the EU Law in plain language which makes it very difficult for those taking an interest in particular law students Moreover many years of teaching experience in this subject and seeing students experience difficulties is the key driver behind this book This book does not repeat material that is available in many textbooks that are in print Rather it endeavours to present every topic in plain language and concludes every chapter with a fictitious explanatory sample case In other words it is an introduction to the subject of EU Law the objective of which is to explain the topic both theoretically and in its application dimension Additionally this book will assist students to prepare for coursework examinations At the end of the book there is also a test that summarizes all the subjects contained in the book which is appropriate to the first stage SQE Solicitors Qualifying Examination examination model that will be introduced in September 2021 EU Law Book by Dr Çınar is different than other textbooks in the market as it is designed to make sense of a complex area of law in a simple yet comprehensive way The book contains materials relating to EU law with all the notable cases and materials collected in one place It is written in plain language in the form of question and answers At the end of each chapter there is a case study which helps to put theory into practice EU Law is accessible readable and user friendly I would recommend it without hesitation to legal scholars and practitioners Dr Aysem Diker Vanberg Senior Lecturer

University of Greenwich This clear and concise book provides a practical overview of EU law and will be an excellent study aid for law students It explains the key topics of EU law in an accessible and engaging manner through a Q A model and case studies that demonstrate how the law is applied Dr Johanna Hoekstra Lecturer University of Essex The is an accessible easy to read and very useful book covering all the essential areas of EU law making them easily understood Dr Marios Costa Senior Lecturer City Law School University of London CONTENTS Abbreviations About the author Foreword CHAPTER I Introduction History Sources and Institutions CHAPTER II Enforcement in National Courts Supremacy and Direct Effect CHAPTER III Enforcement in National Courts Indirect Effect and State Liability CHAPTER IV Free Movement of Goods Fiscal Barriers CHAPTER V Free Movement of Goods Non Fiscal Barriers CHAPTER VI Free Movement of Persons Entry and Residence CHAPTER VII Free Movement of Persons Employment Social Educational Rights CHAPTER VIII Freedom of Establishment CHAPTER IX Freedom to Provide Services CHAPTER X Competition Law Collusion and Abuse of Dominance Summary Sample Test Questions Answers Recommended Reading List Index **The British National Bibliography** Arthur James Wells,2003 **Q & A Revision Guide: Company Law 2012 and 2013** Stephen Judge,Steve Judge,2012-01-12 Q A Company Law offers a lifeline to students revising for exams It provides clear guidance from experienced examiners on how best to tackle exam questions and gives students the opportunity to practise their exam technique and assess their progress
