Burkhard,2015-05-15 Apostolicity Then and Now explores apostolicity from its origin to today Apostolicity is a fundamental mark of the church referring to Jesus faith given to carried on and taught unaltered by a continuous line of apostles This book primarily focuses on how apostolicity pertains to the church as a whole and views apostolic succession in light of how apostolicity is applicable to the church Scriptural historical theological and ecumenical contexts provide a thorough study that includes worldviews and their impact on apostolicity Chapters are Who Were the Apostles Why the Early Churches Understood Themselves as Apostolic Apostolicity in History Apostolicity and the Theologians Apostolicity and the Classical and Modern Worldviews Apostolicity in a Postmodern World Apostolicity in Ecumenical Dialogue and Apostolicity in an Ecumenical Church Anglican Orders R. William Franklin,1996-06-01 This review of the *Apostolicae Curae* presents six essays by American and British contributors both Anglican and Roman Catholic on the 100th anniversary of the papal condemnation of Anglican Orders The book also includes the English translation of the original papal document and the Anglican response to it at that time An introduction by R William Franklin describes the history of the tensions between the two churches and the theological differences between them Franklin helps the reader understand the relevance of these 100 year old documents to today s ecumenical concerns and hopes From the Foreword This forthright and unequivocal pronouncement which the Roman Catholic Church has never rescinded or modified is of such critical importance to the Anglican Roman Catholic relations that it deserves to be memorialized in print a hundred years later and to be examined in depth both on the account of the arguments it deployed and of the consequences that have flowed and still flow from it Hugh Montefiore Bishop of Birmingham ret *My Ecumenical Journey* Bishop Michael Putney,2014-03-20 This book is a collection of essays by the Australian Roman Catholic Bishop Michael Putney on the topic of ecumenism The essays date from 1991 through to 2009 and are taken from papers and articles that he has written The book s introduction outlines Bishop Michael s involvement in ecumenical affairs from his early seminary days his participation in local ecumenical dialogue and initiatives right through to as a Bishop in his international involvement with bodies such as the World Council of Churches and later as a bishop with bodies such as the World Council of Churches and in as a member of the Vatican s Pontifical Council for Promoting Christian Unity The book has chapters on relations with the Anglican Communion the Lutheran Church and the Methodist Churches as well as the Jewish faith It also examines some key themes and issues in ecumenism the papacy baptism and justification The book includes a Foreword written by theological friend and colleague from the International Methodist Roman Catholic dialogue the Revd Geoffrey Wainwright of Duke University USA Victorian Marriage James Covert,2010-06-15 Mandell Creighton 1843 1901 was a famous historian and the first editor of the *English Historical Review* His intelligence and energy made an impression

upon everyone he met Admired by Queen Victoria only his untimely death stopped him becoming Archbishop of Canterbury His wife Louise 1850 1936 was a prolific historian in her own right Her strength of character and organisational ability made her a natural leader of Victorian women s movements The writings of this remarkable couple especially their letters reveal their relationships with each other and with their seven children their work and home life their servants houses holidays in Italy and the pleasures of their lives together The End of the Church Ephraim Radner,1998 In this first serious assessment of the meaning of church division Ephraim Radner provides a theological rationale for today s divided church in the Christian West that goes far beyond the standard socio historical explanations of denominationalism Through an examination of controversial post Reformation discussions about the church Radner offers a significant theory that describes the relation between Christian division and the work of the Holy Spirit within Western modernity Radner s description of the church is based on the traditional notion that a divided church is in a significant sense a dead church after the figure of the pneumatically abandoned dead Christ who himself suffers redemptively the disintegration and restoration of divided Israel in his physical and spiritual passion The hermeneutical basis for the usefulness of this figure lies deep in the scriptural practice of the undivided church and was common up through the Reformation Radner s recovery of this figural perspective is applied to the cluster of pneumatological issues that define ecclesial life *Koinonia and the Quest for an Ecumenical Ecclesiology* Lorelei F. Fuchs,2008 The word koinonia has gained prominence in recent ecumenical discussions In this original and substantial work Lorelei Fuchs proposes the theological idea of koinonia commonly translated as communion or fellowship as the key to moving fractured churches toward a future unity Fuchs challenges churches to move beyond mere dialogue and to apply ecumenical insights at the local level She begins by relating the exegetical meaning of koinonia to its ecumenical meaning tracing the place of koinonia both within the churches and between the churches She then examines the concept of koinonia in the extensive and fruitful dialogues that have taken place between Lutherans Anglicans and Roman Catholics finally articulating a symbolic competence for communionality that provides a rich and workable way forward for church unity at all levels Encompassing the latest in ecumenical thought *Koinonia and the Quest for an Ecumenical Ecclesiology* provides a broad thoughtful framework for realizing Christ s prayer that all may be one so that the world may believe

Introduction to Ecumenism Gros, Jeffrey,McManus, Eamon,Riggs, Ann,1998 An overview of the history content and future of the modern ecumenical movement with particular attention to Catholic leadership and the results of dialogues among the churches *Nothing Beyond the Necessary* Jon Nilson,1995 Author Jon Nilson believes that it is time for Roman Catholic Church leaders to put their commitment to Church unity into action and move beyond simply engaging in ecumenical dialogue *Nothing Beyond the Necessary* helps chart this course of action This clear survey of the ecumenical scene is important reading for Roman Catholic leaders leaders of other Christian Churches and laity with an interest in ecumenism **No Turning Back** Margaret O'Gara,2014 Includes bibliographical references pages 238 245 and index

Sacrificing the Church Eugene R. Schlesinger, 2019-10-01 In a context of scandal and decline the Christian church cannot afford to do business as usual It must regain its bearings and clarify its nature and purpose *Sacrificing the Church* provides this clarity by returning to the church's foundation Jesus Christ and him crucified It presents an ecclesiological vision in which every aspect of the church's life flows from and expresses the one sacrifice of Christ This sacrifice is the basis of every ecclesial experience the form and content of the church's life a life which shares in the eternal Trinitarian life of God By and as Christ's sacrifice we are introduced into the divine life This participation plays out in three key areas which set the church's agenda in the contemporary world its worship of God Mass mission to the world mission and efforts toward the unity of all people beginning with divided Christians ecumenism **Priest of the Church or Priest of a Church?** Noel

Cox, 2021-03-25 The development of new forms of ministry lay and ordained has included worker priests now found in the Anglican Communion in a related form variously called Self Supporting Ministry SSM or Non Stipendiary Ministry NSM This book focuses on one of the most recent developments the creation of Ordained Local Ministry After chapters that consider preliminary questions of the nature of ministry such as authority in the church and Holy Orders Noel Cox argues that the crucial distinction between these and other forms of ministry is that the Ordained Local Minister OLM is overtly ordained specifically for a given locality variously defined they are a deacon or priest for a specific church parish benefice or deanery rather than of the universal church Their introduction inevitably raises difficult ecclesiological questions which Cox examines

Historical Dictionary of Catholicism William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The *Historical Dictionary of Catholicism* Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism *Malines: Continuing the Conversations*

Thomas Pott, James Hawkey, Keith Pecklers, 2023-12-13 The Malines Conversations are often described as a precursor to the theological dialogue between the Catholic Church and the Anglican Communion initiated after the Second Vatican Council The fruit of a friendship between a French priest and an English aristocrat Cardinal Mercier's initial invitation in 1921 to a group of thinkers from both communions led to several rounds of discussion focused on issues that have long divided Catholics and Anglicans Since 2013 an informal and international group of Anglican and Catholic friends known as the Malines Conversations Group has been meeting annually for discussion and fellowship This volume represents the fruit of some of these conversations The informal nature of the group allows for wide ranging interrogation of diverse topics The

discussions acted as a kind of theological laboratory enabling us to explore afresh some of the issues at stake both between and within our churches This volume of essays includes contributions from sacramental theologians liturgists ecclesiologists historians and philosophers Most are actively involved in Christian ministry Interspersed throughout are very short reflections from other theologians and Church leaders who have participated in the conversations as guests over the last decade In the words of Rowan Williams epilogue the hope and prayer of the contributors is that this celebration and exploration of the heritage of Malines might give us again the grace of being surprised by the gift of Catholic communion

The Sacrifice William Kienzle,2013-03-12 The clever plot the subtle clues and above all the ideas make this well worth reading West Coast Review of Books From William X Kienzle author of the classic mystery The Rosary Murders When Father George Wheatley decided to convert from the Anglican Church to the Roman Catholic he thought he had painstakingly considered the sacrifices he would have to make He knew his celebrity status as a beloved Anglican priest evidenced by his newspaper column and radio show would be in jeopardy He understood the strain the change would put on his wife and children and the challenges he would face to be accepted as a married Roman Catholic priest He even acknowledged that reactionaries in both camps would oppose such a spiritual changeover But he never dreamed that his decision would breed such waves of ambition jealousy and hatred that the ultimate human sacrifice murder would be the result Nor did he appreciate how much of a sacrifice would be asked of him In his twenty third appearance Father Robert Koesler a Detroit parish priest with a penchant for being involved in murder accompanies his friend Father Wheatley through his tortured path to conversion and helps him seek resolution of a crime With his compassion knowledge of human nature and experience Father Koesler is able to not only resolve a murder mystery but also to give true understanding to the concept of sacrifice

Ruptured Bodies Eugene R. Schlesinger,2024 Ruptured Bodies is a systematic theological account of the divided church It argues that no adequate ecclesiology can ignore division because it will not describe the church that actually is Such an understanding must integrate the reality of division while also refusing to blunt its sharp edge neither dismissing excusing or minimizing it What must the church be given the fact of its division Schlesinger presents a systematic ecclesiology of the divided church despite that idea s seeming impossibility because such an ecclesiology is precisely what we need The American Catholic Quarterly Review James Andrew Corcoran,Patrick John Ryan,Edmond Francis Prendergast,1916

Growing Consensus Joseph A. Burgess,1995 **Reforming Rome** Donald W. Norwood,2015-01-16 Few people realize that Karl Barth one of the twentieth century s greatest Protestant theologians was among a select group of non Catholic guests who were invited to the Second Vatican Council 1962-65 to assist in the reform and renewal of the Roman Catholic Church In Reforming Rome Donald Norwood offers the first book length study of Barth s involvement with Vatican II and his significant impact on the reform of the Catholic Church Norwood examines Barth s critical engagement with the Roman Catholic Church from his time at the Catholic University of Munster to his connection with Vatican II his conversations with

Pope Paul VI and seminars and interviews he gave about the Council afterward On the basis of extensive research Norwood amplifies Barth's own very brief account of Vatican II Barth himself often felt that he was better understood by Roman Catholics such as Hans Urs von Balthasar and Joseph Ratzinger than he was by his own Reformed colleagues This study written by a fellow Reformed theologian helps us to see why **New Catholic Encyclopedia** Catholic University of America, 2003 others In addition to the hundreds of new signed articles on a wide variety of topics this new edition also features biographies of contemporary religious figures thousands of photographs maps and illustrations and updated bibliographical citations The 15th volume is a cumulative index to the entire encyclopedia
