Deepwell, 1995 This text reviews feminist art strategies as they emerged in the late 1980s and early 1990s in America and the UK It draws together the views of prominent practitioners critics academics and curators on a broad range of controversial issues The central focus of the book is feminism s engagement with psychoanalysis and post modernism and its aim of

deconstructing the borders between art and craft and theory and practice Feminist politics in the art world are also investigated through discussion of the negotiations of feminist curators responses to feminist exhibitions issues surrounding pornography and the censorship of women s work and the role of feminist teaching on fine art and design degree courses The book covers a variety of art work including installation work painting textiles and photography Nelson Goodman Daniel Cohnitz, Marcus Rossberg, 2014-12-18 Nelson Goodman s acceptance and critique of certain methods and tenets of positivism his defence of nominalism and phenomenalism his formulation of a new riddle of induction his work on notational systems and his analysis of the arts place him at the forefront of the history and development of American philosophy in the twentieth century However outside of America Goodman has been a rather neglected figure In this first book length introduction to his work Cohnitz and Rossberg assess Goodman s lasting contribution to philosophy and show that although some of his views may be now considered unfashionable or unorthodox there is much in Goodman s work that is of significance today The book begins with the grue paradox which exemplifies Goodman s way of dealing with philosophical problems After this the unifying features of Goodman s philosophy are presented his constructivism conventionalism and relativism followed by an discussion of his central work The Structure of Appearance and its significance in the analytic tradition The following chapters present the technical apparatus that underlies his philosophy his mereology and semiotics which provides the background for discussion of Goodman s aesthetics The final chapter examines in greater depth the presuppositions underlying his philosophy

The importance of being a reader: A revision of Oscar Wilde's works Cristina Pascual Aransáez, 2014-09-01 This book explores Wilde s works from the hypothesis that they call upon the active participation of the reader in the production of meaning It has a twofold objective first it shows that Wilde s emphasis on the creative role of the audience in his critical writings makes him conceive the reader as a co creator in the construction of meaning Second it analyses the strategies which Wilde employs to impel the reader to collaborate in the creation of meaning of his literary works and casts light upon the social criticism derived from these The examination of Wilde s writings reveals how he gradually combined more sophisticated techniques that encouraged the reader s dynamic role with the progressive exploitation of self advertising strategies for professional purposes These allowed the commercial Oscar to make his works successful among the Victorian public without betraying the literary Wilde s aesthetic principles The present study re evaluates Wilde as a critic and as a writer It demonstrates that while Wilde the myth was ahead of his time in many ways Wilde the ARTIST anticipated in his aesthetic theory various themes which occupy contemporary literary theoreticians Thus it may contribute to give him the status he rightly deserves in the history of literature New Perspectives on Thomas Hardy C. Pettit, 2016-07-27 New Perspectives on Thomas Hardy is a lively and varied collection of new essays on Thomas Hardy contributed by some of the world s leading Hardy scholars The essays range widely over Hardy s work thought creative methods and life and show a variety of critical approaches The essays collected here will appeal equally to scholars

students and non academic Hardy enthusiasts *The Art of Feminism, Revised Edition* Helena Reckitt, 2022-11-01 Featuring a new package and an additional 60 pages of material this revised edition of *The Art of Feminism* covers an even more impressive range of artworks artists movements and perspectives Since the debut of the original volume in 2018 *The Art of Feminism* has offered readers an in depth examination of its subject that is still unparalleled in scope The comprehensive survey traces the ways in which feminists from the suffragettes and World War II era workers through twentieth century icons like Judy Chicago and Carrie Mae Weems to the contemporary cutting edge figures Zanele Muholi and Andrea Bowers have employed visual arts in transmitting their messages With more than 350 images of art illustration photography and graphic design this stunning volume showcases the vibrancy of the feminist aesthetic over two centuries The new updated edition of the book features revised and expanded material in each of the book's original sections as well as entirely new material dedicated to the art pieces that have shifted the landscape of feminist art today This new material includes women artists of the Bauhaus grassroots and experimental curatorial efforts a broader range of performance artists and recent art shows and works such as Kara Walker's *Fons Americanus* which debuted at London's Tate Modern museum in 2020 **UNIQUE IN SCOPE** The breadth and inclusiveness of this volume sets it apart and makes it the definitive book on international feminist art The new edition brings the book into the current moment ensuring that this groundbreaking volume remains relevant and fresh It features an astonishing roster of artists including Barbara Kruger Sophie Calle Marina Abramovic Judy Chicago Faith Ringgold Cindy Sherman Ana Mendieta Zanele Muholi Mickalene Thomas Louise Bourgeois Shirin Neshat Andrea Bowers Pina Bausch JEB Amrita Sher Gil Luchita Hurtado Ayana Jackson Patrisse Cullors **EXPERT AUTHORS** Lead author Helena Reckitt has assembled a team of experts who are superbly qualified to unpack the rich history power and symbolism of feminist art for a new modern day audience **UPDATED AND INCLUSIVE** This edition of the book features an even more diverse array of artists and artworks than the original from the beautiful figurative paintings of Hungarian Indian artist Amrita Sher Gil to the thoroughly researched and extravagantly costumed self portraits of American photographer Ayana Jackson Perfect for Feminists and activists Art history lovers College and graduate students *How Literature Changes the Way We Think* Michael Mack, 2011-12-01 **Rhythm Changes** Alan Stanbridge, 2023-03-30 *Rhythm Changes* Jazz Culture Discourse explores the history and development of jazz addressing the music its makers and its social and cultural contexts as well as the various discourses especially those of academic analysis and journalistic criticism that have influenced its creation interpretation and reception Tackling diverse issues such as race class nationalism authenticity irony parody gender art commercialism technology and sound recording the book's perspective on artistic and cultural practices suggests new ways of thinking about jazz history It challenges many established scholarly approaches in jazz research providing a much needed intervention in the current academic orthodoxies of Jazz Studies Perhaps the most striking and distinctive aspect of the book is the extraordinary eclecticism of the wide ranging but carefully chosen case studies and

examples referenced throughout the text from nineteenth century literature through 1930s Broadway and film to twentieth and twenty first century jazz and popular music **The Critic** Jeannette Leonard Gilder, Joseph Benson Gilder, 1894

Renaissance Theory James Elkins, Robert Williams, 2008-04 Renaissance Theory presents an animated conversation among art historians about the optimal ways of conceptualizing Renaissance art and the links between Renaissance art and contemporary art and theory This is the first discussion of its kind involving not only questions within Renaissance scholarship but issues of concern to art historians and critics in all fields Organized as a virtual roundtable discussion the contributors discuss rifts and disagreements about how to understand the Renaissance and debate the principal texts and authors of the last thirty years who have sought to reconceptualize the period They then turn to the issue of the relation between modern art and the Renaissance Why do modern art historians and critics so seldom refer to the Renaissance Is the Renaissance our indispensable heritage or are we cut off from it by the revolution of modernism The volume includes an introduction by Rebecca Zorach and two final synoptic essays as well as contributions from some of the most prominent thinkers on Renaissance art including Stephen Campbell Michael Cole Frederika Jakobs Claire Farago and Matt Kavalier

Appropriation David Evans, 2009 Many influential artists today draw on a legacy of stealing images and forms from other makers The term appropriation is particularly associated with the Pictures generation centred in New York in the 1980s this anthology provides a far wider context Historically it reappraises a diverse lineage of precedents from the Dadaist readymade to Situationist d tournament while contemporary art after appropriation is considered from multiple perspectives within a global context back cover

Pluralistic Approaches to Art Criticism Douglas Emerson Blandy, Kristin G. Congdon, 1991 Contributors to this anthology analyze the contemporary academic methods for critiquing art and suggest new ways that might further our understandings of art created by myriad individuals and groups The essays give readers further insight into a diverse range of artistic creators often overlooked in art world studies

Educational Research: Discourses of Change and Changes of Discourse Paul Smeyers, Marc Depaepe, 2016-05-26 This collection addresses concepts and theories of change contexts and functions of reform discourses

and fields of change in educational research It examines a wide variety of issues such as girls education in France educational neuroscience the professionalization in Child Protection and mathematics discourses It pays attention to the pervasiveness of crisis rhetoric in American Education Research to the current university climate and to perspectives for teacher education The volume presents in depth studies that integrate the perspective of history and philosophy of education Educational research has been typically carried out within a discourse of change changing educational practice changing policy or changing the world Sometimes these expectations have been grand as in claims of emancipation sometimes they have been more modest as in research as a support for specific reforms This book explores the answers to such questions as Are these expectations justified How have these discourses of change themselves changed over time What have researchers meant by change and related concepts such as reform improvement innovation progress and the new Does this teleological and hopeful discourse itself reflect a particular historical and national cultural point of view Is it over promising for educational research to claim to solve social problems and are these properly understood as educational problems In doing so it challenges prevailing ideas about the application of philosophy and history of education and demonstrates the relevance of philosophical and historical approaches for the practice and theory of education and for educational research This publication as well as the ones that are mentioned in the preliminary pages of this work were realized by the Research Community FWO Vlaanderen Research Foundation Flanders Belgium Philosophy and History of the Discipline of Education Faces and Spaces of Educational Research
