Revive Us Again:

Revive Us Again Antoine N. Holloway, 2011-12 Revive Us Again is not only the name of this book but it is also the name of an old hymn written by WM P MacKay and J J Husband The title and song were taken from the scripture Psalms 85 6 where the Bible reads Wilt thou not revive us again that thy people may rejoice in thee It is an unfortunate circumstance that there are Christians who are spiritually weak in the body of Christ Either they are still living in sin or they are complacent in their Christianity The Psalmist is calling on God to make them vibrant and alive like they once were so they can rejoice in the Lord Maybe Christians should start asking God to revive them considering we are commanded to Rejoice Always In The Lord Philippians 4 4 This collection of sermons were preached and written by brother Holloway for the sole purpose of helping God's children see why they ought to be revived by the Lord and rejoice in Him When we hear the words of the song it is both admonishing with a triumphant language suggesting we are to be revived because Christ was resurrected Hear the words We praise Thee O God For the Son of Thy love For Jesus who died and is now gone above We praise Thee O God For Thy Spirit of light who has shown us our Savior and scattered our night All glory and praise to the Lamb that was slain Who has borne all our sins and has cleansed every stain Hallelujah Thine the glory Hallelujah Amen Hallelujah Thine the glory revive O God, Revive Us Again Will Bruce, 1960 American Crusades Jon DePriest, 2018-11-15 American Crusades us again details evangelical pursuits to unite God's purposes with American empires It argues that religious motivations contributed heavily to United States governmental policies and built sacred spaces in many attempts to influence American society These embedded ambitions form the core of Americanism yet somehow remain hidden right in front of our eyes In the action of caretaking they advanced their understanding of God's demand on their lives and purposes Evangelical and theologically conservative Americans linked the sacred and secular shaping the ethos of the American people The terminology of religious thinking quickly sacralized concepts like democracy and capitalism in an attempt to control and use them Once packaged as a sacred space in need of custody religious leadership sought to fulfill its kingdom responsibility and secure its future Eventually a combination of religiously defined secular components coalesced into the term known simply as Americanism Building on the success of the new nation and supporting the causes of Americanism throughout the world has imprinted a uniquely evangelical construct into the domestic and foreign policy structures of the United States The shifting landscape of American culture drove evangelicalism into the margins in the 1970s while most scholars think that the decline of religious conservatism in culture meant that secularization controlled foreign policy as well this is not true Removed from the whims of domestic politics Protestant evangelical patterns of action have resisted change in American foreign policy structures Over time however the movement lost its faith distinctives while embedding religious principles in foundations of U S foreign policy This book seeks to produce a reorganized narrative through a critical synthesis to locate white evangelicals quest to be the foundational voice in America's shaping ideological lineage American Evangelicals Barry Hankins, 2009-02-16 There

may be no group in American society that is more talked about but so little understood as Evangelical Christians Sometimes dismissed as violent fundamentalists and ignorant flat earthers few can doubt the political cultural and religious significance of the Evangelicals Barry Hankins puts the Evangelical movement in historical perspective reaching back to its roots in the Great Awakening of the eighteenth century and leading up to the formative moments of contemporary conservative Protestantism Taking on key topics such as the standing of science the authority of scripture and gender and racial equality Hankins analyzes what is most essential for us to understand today about this potent movement **The Spirit of Revival**,

this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon Gospel Hymns Combined Philip Paul Bliss, Ira David Sankey, James McGranahan, George Coles Stebbins, 1879 **ESV Fire Bible** Donald Stamps, 2014-06 Believers the world over are on fire to deepen their relationship with Jesus Christ they want to tap into the Holy Spirit as the source of divine power for advancing the work of the church and fulfilling their personal lives The Fire Bible is just what you need to be quided toward the Christ centered Spirit led life for which your soul thirsts Its notes and commentary are authoritative and trustworthy yet written in language that any reader can easily understand Originally conceived as a tool to help Pentecostal pastors and lay leaders preach teach and reach others with the gospel this study Bible is now available in the English Standard Version It includes extensive notes background articles on key issues and authoritative commentary along with dozens of other unique features Learn how the spiritual empowerment that was bestowed upon the faithful at Pentecost is available today as God's gift to modern followers of Jesus This unparalleled Scripture study resource will greatly benefit anyone interested in living the Christian life to the fullest Features Themefinders track 12 major themes of the Pentecostal tradition 16 full color maps More than 70 articles explaining historical and theological aspects of major topics Study notes for key verses Book introductions Subject index Center column cross references Concordance In text maps and charts One year reading plan Presentation page Ribbon marker on flexisoft editions A Year of Slowing Down Alan Fadling, 2022-12-06 With the overwhelming pace of life many of us struggle to stop long enough to be present In this book Alan Fadling offers six devotionals for each week of the year each one an invitation to slow down and be present with the movement of God in your everyday life Will you accept God s call to welcome a year of slowing down Melody Sheet Music Lyrics Midi Richard Hewlett, 2014-09-04 **The Other Evangelicals** Isaac B. Sharp, 2023-04-18 What s the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we ve been led to believe In The Other Evangelicals Sharp brings to light the stories of those twentieth century evangelicals who didn t fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written The Other Evangelicals offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023 **The Presbyterian Magazine** Cortlandt Van Rensselaer, 1854 The Presbyterian Magazine .1854 Gospel Hymns Consolidated Philip Paul Bliss, Ira David Sankey, James McGranahan, George Coles Stebbins, 2025-07-13 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Songs of Faith.
