## Revolt Of The Angels:

**The Revolt of the Angels** Anatole France, 1928      [The Revolt of the Angels](#) Anatole France, 2019-11-19 Anatole France's *The Revolt of the Angels* is a satirical yet profound exploration of the divine and human condition set against the backdrop of the philosophical and political upheavals of early 20th century France. The narrative follows the rebellious angel Arcade who, disillusioned by the sterile bureaucracy of Heaven, seeks to challenge the omnipotent God and the complacency of the celestial order. France's elegant prose is marked by wit and irony, blending elements of fantasy and philosophical discourse while drawing upon the literary traditions of both Romanticism and Symbolism, establishing a unique voice that reflects the tensions of its time, especially the conflict between faith and reason. Anatole France (1844-1924) was a Nobel Prize-winning author who traversed the literary and political landscapes of his era. His exposure to various intellectual currents, including agnosticism and the burgeoning socialist movements, deeply informed his writing. France's affinity for the exploration of existential themes and critiques of socially accepted doctrines is vividly manifested in this work, reflecting his belief in the importance of individual freedom and the complexity of divine justice.
