Lesbian Communities Esther D Rothblum,Penny Sablove,2014-06-11

I had just witnessed women who shingled their own roofs drove eighteen wheeler trucks and built their own housesas well as kept them clean and cooked a damn good meal On women s land I am a first class citizen I m treated as an equal I now see the world with righteous anger and hope Living in womyn s community has provided that lens for me Elizabeth Sturru third wave feminist One of the driving forces in the lives of many lesbians is the search for community in a society that favors heterosexuality and often turns a cold shoulder toward women who love women Lesbian Communities Festivals RVs and the Internet takes you inside flourishing lesbian communitiesphysical spiritual and virtual online that provide practical help emotional support and much needed outlets for creative expression Exploring communities functioning in harmony with general American society as well as separatist groups festival communities which form for short times annually and informal online groups offering meaningful communication to physically isolated lesbians this book offers a ray of light to those whose search is still ongoing It also provides much needed analysis of the current state of lesbian communitiessome decades old nowfor educators researchers and social scientists In Lesbian Communities Festivals RVs and the Internet Susan Krieger revisits the vibrant community she first explored in The Mirror Dance An African American member of Old Lesbians Organizing for Change shares the details of her search for a cooperative caring space for aging lesbiansand what led to her eventual decision to create this space herself And one of the founders of Hallomas a back to the land community that has

survived in northern California since the late 1970s reflects on that unique community's birth and life with 13 photographs and illustrations. The book also bears witness to a life-changing encounter and dialogue between second-wave feminists from the woman's land collective of Arcadia and third-wave feminists. You'll also learn about the birth joys and tribulations of an online community that becomes physical each year at the Michigan Womyn's Music Festival, the accidental birth of a lesbian community in isolated and fundamentalist-dominated West Texas, the international online lesbian parenting community called MOMS affectionately known as Dykes and Tykes, how it began, what belonging to this community provides for its members, and a look toward the future, the debate on inclusiveness versus exclusiveness of bisexual women, transgender people, and the male children of lesbians in lesbian communities, the current decline of availability and dilution of the purity of lesbian-only space, and the rise of segregation by social class and financial status and oppression within the lesbian community, the current plight of lesbian bookstores which since the 1970s have served not only as gateways to a multitude of lesbian communities but as the centers of lesbian communities themselves, the online experience of lesbians searching for community in Japan, the issues facing Jewish lesbians, and the formation of Nice Jewish Girls, a Montreal group for anyone who identifies as a lesbian, bisexual, or queer woman and their non-Jewish partners and friends, the power of myth and mythmaking to help women regain lost strength and reclaim lost history. From the efforts of back-to-the-land groups creating wimmin's space to life in modern residential retirement settings, this book explores the places created by and for lesbians. Photos and illustrations bring these women and their communities to life. *Lesbian Communities: Festivals, RVs, and the Internet* w. *The Complete Euripides* Euripides, 2009. Collected here for the first time in the series are three major plays by Euripides: *Bacchae* translated by Reginald Gibbons and Charles Segal, a powerful examination of the horror and beauty of Dionysiac ecstasy; *Heracles* translated by Tom Sleight and Christian Wolff, a violent dramatization of the madness and exile of one of the most celebrated mythical figures; and *The Phoenician Women* translated by Peter Burian and Brian Swamm, a disturbing interpretation of the fate of the House of Laios following the tragic fall of Oedipus. These three tragedies were originally available as single volumes. This volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and Greek line numbers. *The National Union Catalog, Pre-1956 Imprints* Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1970.

Bakkhai Euripides, 2001-02-22. Regarded by many as Euripides' masterpiece, *Bakkhai* is a powerful examination of religious ecstasy and the resistance to it. A call for moderation, it rejects the temptation of pure reason as well as pure sensuality and is a staple of Greek tragedy, representing in structure and thematics an exemplary model of the classic tragic elements. Disguised as a young holy man, the god Bacchus arrives in Greece from Asia, proclaiming his godhood and preaching his orgiastic religion. He expects to be embraced in Thebes, but the Theban king Pentheus forbids his people to worship him and tries to have him arrested. Enraged, Bacchus drives Pentheus mad and leads him to the mountains where Pentheus' own

mother Agave and the women of Thebes tear him to pieces in a Bacchic frenzy Gibbons a prize winning poet and Segal a renowned classicist offer a skilled new translation of this central text of Greek tragedy
