Rms Titanic A Portrait In Old Picture Postcards:

R. M. S. "Titanic" Mark Bown, Roger Simmons, 1995-06-01 *The Titanic in Print and on Screen* D. Brian Anderson, 2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind's hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron's blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history's most compelling shipwreck Organized by genre in accessible categories and short entries the book includes Titanic inspired documentaries narrative films children's books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers *The Myth of the Titanic* R. Howells, 1999-03-29 The first critical analysis of the Titanic as modern myth this book focuses on the second of the two Titanics The first was the physical Titanic the rusting remains of which can still be found twelve thousand feet below the north Atlantic The second is the mythical Titanic which emerged just as its tangible predecessor slipped from view on 15 April 1912 It is the second of the two Titanics which remains the more interesting and which continues to carry cultural resonances today The Myth of the Titanic begins with the launching of the unsinkable ship and ends with the outbreak of the war to end all wars It provides an insight into the particular culture of late Edwardian Britain and beyond this draws far greater conclusions about the complex relationship between myth history popular culture and society as a whole *The Titanic and Silent Cinema* Stephen Bottomore, 2000 Number nine in a series of monographs on pre cinema and early film

The Age of Titanic John Wilson Foster, 2002 **The Titanic** Eugene L. Rasor, 2001-09-30 Promoted as virtually unsinkable the ultimate luxury liner the largest ship in the world the RMS Titanic sank on its maiden voyage in April 1912 taking some 1 500 people to their death Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America The most dramatic marine disaster of modern times the Titanic tragedy captured the interest and imagination of the entire world The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s The resulting literature is vast including both scholarly and popular sources Covering more than the published literature the book also surveys memorabilia artifacts cultural icons music

film and exhibitions Divided into three sections the work opens with a historiographical survey of the literature then includes descriptive lists of more peripheral material and concludes with a bibliography of 674 entries All items covered in the historiographical survey are included in the bibliography This useful guide will appeal to researchers both laymen and scholars interested in the Titanic **The Mariner's Mirror** Leonard George Carr Laughton, Roger Charles Anderson, William Gordon Perrin, 1988 *The Mariner's Mirror Bibliography for ...* , 1988 **British Book News** British Council, 1987 Includes no 53a British wartime books for young people **Whitaker's Book List** , 1987
