Midget Submarine Commander Paul Watkins, 2013-01-19 A biography of the twentieth century British Royal Navy officer and Victoria Cross recipient who fought below above and on the waves Of all the acts of gallantry in World War II few were as audacious as the attack by midget submarines on the pride of the German fleet the battleship Tirpitz lying in her heavily fortified lair deep in a Norwegian fjord Lieutenant Godfrey Place was in command of submarine X7 in September 1943 and travelled over 1 000 miles negotiating minefields and anti submarine nets to place four tons of high explosive accurately under the hull of the Tirpitz For this he was awarded the Victoria Cross in 1944 at the age of twenty two Taken prisoner he was repatriated to England at the end of the war and continued to serve in the Royal Navy for twenty five years flying with 801 squadron in the Korean War and serving on aircraft carriers at Suez Nigeria and the withdrawal from Aden On his retirement in 1970 he had the distinction of being the last serving naval officer to hold the Victoria Cross This overdue biography details Godfrey Place VC's eventful life from a childhood spent partly in East Africa to being the hugely respected Chairman of the Victoria Cross and George Cross Association for over twenty years Thanks to the author's extensive access to previously unpublished material including Place's own recollections of the attack there is unlikely to be a better or more thrilling account of the attack on the Tirpitz

Outsider Inside No 10 John Warwicker, 2015-02-02 Former Special Branch officer John Warwicker gives the inside story of the six years he spent in charge of security at 10 Downing Street tracking one of the most turbulent periods in modern British politics From 1974 79 when the threat of the Cold War and the IRA was ever present the targets who Warwicker protected daily both at home and overseas were Prime Ministers Wilson Callaghan and Thatcher More than thirty years on since Warwicker left his post his insightful memoir based not only on personal memories and experience but often also from

contemporaneous notes includes a fascinating and frank insight into the day to day operations at Downing Street and Chequers and the eccentric cast of characters within. Despite the constant threat of terrorism that was prevalent at the time there is a touch of Yes Prime Minister that runs through the narrative which adds a surprisingly amusing element to this revelatory book. Strategic Digest, 1972. *Royal Marines Musicians at War* Brian Short, 2025-01-30. The peerless musicians of the Royal Marines Band Service are no strangers to war as the Author Brian Short himself a musician reminds us in his book. Brian Short has an engaging style and sense of humour combined with a shrewd assessment of his fellow human beings. His description of his training and early years in the Band Service provide a vivid and necessary prelude to what follows setting the scene and introducing the reader to aspects of life in the Royal Marines Band Service and the Band's experiences at war. From time to time the future existence of Royal Marines Bands is questioned by politicians. They should read this book perhaps they will come to appreciate what a splendid contribution the Royal Marines Band Service has made to our country by land and sea and will continue to do so. Major General Julian Thompson. Royal Marines. The Royal Marines Band Service are well known for their professional musical performances around the world and at all Royal and major high profile public engagements in the UK. Arguably one of the finest military bands perhaps they are less well known for their military deployments in war zones around the globe along with their humanitarian work in times of need. These fine musicians can turn their talented hands to a multitude of non musical taskings bringing enthusiasm and musical intellect to whatever is asked of them. Held in high regard by Royalty the Royal Marines and the anyone in the public who has seen them perform the book *Royal Marines musicians at war* shows them in a different light as they show their worth in the likes of Afghanistan Kosovo The Falklands and many more areas of conflict besides. **The Fleet Air Arm** Keith Abnett, 2024-11-08. This book uncovers many hidden facts and untold stories of the Fleet Air Arm (FAA) shedding light on its remarkable history much of which has not been widely published. It offers a concise yet vivid account of how the Royal Navy's Air Service (RNAS) evolved over the years shaped by over a century of political manoeuvring and its long standing rivalry with the Royal Air Force. Even today the FAA continues to operate in the shadow of the RAF as seen in the ongoing developments surrounding the Queen Elizabeth class aircraft carriers and the F 35B aircraft they now carry. Frequent subjects in the media. Few know that the last serviceman to die in the Second World War was an FAA pilot shot down over Japan at the very end of the Pacific conflict. While FAA victories such as Taranto and the Falklands are well known it may surprise readers to learn that the FAA briefly flew Lancasters in 1946. And in the Gulf War FAA Westland Lynx helicopters made history by virtually wiping out Iraq's navy using Sea Skua missiles the first time seaborne helicopters achieved such a feat. This book also features the most comprehensive post 1945 timeline of the FAA a reflection of the decline of Britain's maritime power over recent decades. Enriching the narrative are personal anecdotes from FAA personnel highlighting their bravery dedication and sacrifice in the line of duty. Buccaneer Boys 2 Graham Pitchfork, 2021-09-30. Commodore Michael Clapp has been overlooked when compared with the other senior Falklands commanders and the time is ripe to redress the balance Despite commanding the Amphibious Task Group and being responsible for Operation Sutton the successful San Carlos landing Clapp was overlooked for promotion instead received several snubs including not being allowed a seat at the top tables of public events celebrating this stunning victory Sadly his naval superiors showed no interest in learning the amphibious lessons of the War preferring to focus on supporting the Army in a potential conflict with the Soviet Union in Europe Michael Clapp s career has illustrated many of the corrosive effects of inter service rivalry and the

author asks if the military establishment has now lost interest in amphibious operations in their purest form This highly readable and controversial work covers Clapp s distinguished wider career which included active service in Korea the Cyprus Emergency and the Indonesia Malayan Confrontation where he gained a reputation for decisive action He was an observer and squadron commander in the Fleet Air Arm took command of several warships and served in staff posts playing a crucial role in the introduction of the famous Sea Harrier V STOL strike aircraft before his appointment as Commodore Amphibious Warfare
