Life is a basic blueprint for living in the Kingdom of God From the moment you receive Jesus as Lord and are born of His Spirit it is essential to have a clear understanding of the significance of this decision It is equally imperative to be aware of the major shift that occurs in your life spiritually because of the intrinsic repercussions Otherwise your life is filled with confusion and disappointment that God has nothing to do with although He is the one who is mistakenly held responsible With this broadened awareness you experience a new dimension of perception Then is when you realize a lifestyle change is evolving within you from the former way you lived in the world to the new way of life in the Kingdom You step into and encounter a culture change And with any culture change there are principles to learn and precepts to incorporate which bring an entirely new purpose for living Faith Is a Way of Life describes and explains clearly what these changes are the rationale for these changes and the necessity to incorporate them as a regular way of life In God s Kingdom we have a God who loves us cares for us and wants to be our God but who has rather high expectations for us because we are His and He knows the potential of our purpose Plus He wants us to know how to live with Him because He plans for us to be with Him eternally
