Roadkill Bill:

Roadkill Bill Ken Avidor, 2001 Superheroes, Strip Artists, & Talking Animals Britt Aamodt, 2011 In a celebration of the wild and wonderful world of cartooning twenty three contemporary artists step out from behind their drawing boards and take a bow alongside their art **The Great American Wagon Road** Lawrence McGuire, 2001-10 The Great American Wagon Road is the story of three completely different individuals who by chance find themselves traveling together to California First we meet Leatherwood a drifting street musician with a mysterious tragic past He hitchhikes a ride with Paul a stiff academic on a spiritual quest But everything changes when they cross paths with Lara a Grateful Dead fan who is returning to the mainstream after two years on the road The book is first and foremost a compelling road narrative and a description of the dynamics of a sexual triangle But the novel goes deeper as it probes the classic themes of death spirituality love and identity Finally it is an unforgettable rendering of the American Experience The Great American Wagon Road is Book One of the trilogy A Pilgrimage to Ojai Book Two narrated by Lara is titled The Gathering at Big Sur And Book Three is Paul's Ojai Journal Each book is narrated by one of the three main characters and each is complete unto itself However the three together form parts of a whole powerful story **Biting the Hands that Feed Us** Baylen Linnekin, 2016-09-15 Today in the United States laws exist at all levels of government that exacerbate problems such as food waste hunger inhumane livestock conditions and disappearing fish stocks Baylen Linnekin argues that government rules often handcuff America's most sustainable farmers producers sellers and consumers while rewarding those whose practices are anything but sustainable Biting the Hands that Feed Us introduces readers to the perverse consequences of many food rules from crippling organic farms to subsidizing monocrops Linnekin also explores what makes for a good law often he explains these emphasize good outcomes over rigid processes But he urges readers to reconsider efforts to regulate our way to a greener food system calling instead for empowerment of those working to feed us and themselves sustainably **A Florida State of Mind** James D. Wright, 2019-04-30 A witty history of the state that's always in the news for everything from alligator attacks to zany crimes There's an old clip of Bugs Bunny sawing the entire state of Florida off the continent and every single time a news story springs up about some shenanigans in Florida someone on the internet posts it in response Why are we so ready to wave goodbye to the Sunshine State In A Florida State of Mind An Unnatural History of Our Weirdest State James D Wright makes the case that there are plenty of reasons to be scandalized by the land and its sometimes kooky sometimes terrifying denizens but there's also plenty of room for hilarity Florida didn't just become weird it's built that way Uncharted swampland doesn't easily give way to sprawling suburbia It took violent colonization land scams to trick non Floridians into buying undeveloped property and the development of railroads to benefit one man's hotel empire Even the most natural parts of Florida are unnatural Florida citrus Not from here but from China Gators Oh they're from Florida all right but that doesn't make having 1 per every 20 humans normal Animals in the form of roadkill Only Florida allows you to keep anything you kill

on the road and anything you find Yet everyone loves Florida tourists come in droves and people relocate to Florida constantly only 36% of residents were born there Crammed with unforgettable stories and facts Florida will show readers exactly why Road Kill Carol L. Jenkner,2021-08-05 Dr Gerald O Connor known to friends as Road Kill O Connor is a retired professor of archaeology and anthropology from Colorado State University During his career he became interested in animal skeletal structure and his penchant for collecting road killed specimens in order to practice the skill of taxidermy earned him his nickname While watching the news one morning he hears a report of a skull found along Interstate 90 not far from his home There is no evidence of a body only the skull The only things authorities can tell is that the skull is likely that of an African American woman in her twenties and it has been there for many years Recalling a cold case in his vast collection of notebooks O Connor begins his search for information about this victim An expert witness for law enforcement throughout his career O Connor begins to piece together other missing persons cases and a pattern emerges He concludes a serial killer has been at work for four decades It s time this murderer was brought to justice and Road Kill O Connor is just the man to get the job done *Road Kill on Main Street* Ronal Burris,2001-05-16 A young handsome handyman is found dead Clues and hunches lead Detective Captain Sam Arbuckle from the gigolos death to a hit and run accident he investigated 25 years before or was it an accident A second look into the files sends Arbuckle from the bleak North Side of Fort Worth to Viet Nam to the outskirts of an eastern Oklahoma chop shop where a quarter century of revenge schemes and greed culminate A colorful cast of bored rich housewives penny anti thieves drug dealers and a duo of young ambitious detectives challenge Arbuckle into solving one last case before retirement His plan was retire quietly but an unmatched fingerprint from his first case tweaks Arbuckles pride in his lifelong career record No big deal Just one more case to close
