Roadmap To Leadership Entry Strategies Of Neophyt:

Roadmap to Leadership Forbi Stephen Kizito, Kizito Forbi, 2004-04-16 Taking charge of a leadership role for the first time is a challenging transition. It is not sudden but starts when one accepts office like the principalship. Then the leader goes through a series of phases during which s/he masters the ropes and exerts influence on others. Roadmap to Leadership proposes three strategies as a recipe for a successful entry into leadership role. Strategic learning is an information management strategy that is ecological, generative, progressive, reflective, and emotional. Strategic change is a transforming strategy that aims at aligning attitudes, relationships, and structures to the desired goal of the enterprise. Strategic vision is choosing a focus and framework of meaning that functions as a prod and magnet for every effort deployed by the leader. In conjunction with these strategies, the new leaders must communicate their vision effectively, drive the transformation process, passionately navigate the roadmap knowledgeably, and with discipline and time, the taking charge process so that it is not prolonged indefinitely.

Roadmap to Leadership Forbi Stephen Kizito, 2004 War is fought by young men, often interrupting the prime of their lives. The Lucky Bastard Club is a vivid image of such a man. His tools were not only his airplane and training but also his faith, his character, his sense of humor, and most of all, his deep and abiding love for a cute little blue-eyed brunette, his wife Joyce. The combination of combat experiences, love, and romance, and poignant autobiography reveal a tale of commitment, patriotism, and faith. Join Jack in this powerful first-hand account of World War II seen through almost daily letters to his bride at home.
