sport and history experts Baseball in America and America in Baseball captures the breadth and unsuspected variety of our national fascination and identification with America's Game. Chapters cover such well-known figures as Ty Cobb and lesser-known topics like the invisible baseball played by Japanese Americans during the 1930s and 1940s. A study of baseball in rural California from the Gold Rush to the turn of the twentieth century provides an interesting glimpse at how the game evolved from its earliest beginnings to something most modern observers would find familiar. Chapters on the Negro League's Baltimore Black Sox, financial profits of major league teams from 1900 to 1956, and American aspirations to a baseball-led cultural hegemony during the first half of the twentieth century round out this superb collection of sport history scholarship. Baseball in America and America in Baseball belongs on the bookshelf of any avid student of the game and its history. It also provides interesting glimpses into the sociology of sport in America.

Baseball Steven P. Gietschier, 2023-07 Finalist for the 2023 CASEY Award 2024 SABR Seymour Medal Named a Best Baseball Book of 2023 by Sports Collectors Digest

Baseball The Turbulent Midcentury Years explores the history of organized baseball during the middle of the twentieth century, examining the sport on and off the field and contextualizing its development as both sport and business within the broader contours of American history. Steven P. Gietschier begins with the Great Depression, looking at how those years of economic turmoil shaped the sport and how baseball responded. Gietschier covers a then-burgeoning group of owners, players, and key figures among them Branch Rickey, Larry MacPhail, Hank Greenberg, Ford Frick, and several others whose stories figure prominently in baseball's past and some of whom are still prominent in its collective consciousness. Combining narrative and analysis, Gietschier tells the game's history across more than three decades while simultaneously exploring its politics and economics, including for example how the game confronted and barely survived the United States' entry into World War II, how owners controlled their labor supply, the players, and how the business of baseball interacted with the federal government. He reveals how baseball handled the return to peacetime and the defining postwar decade, including the integration of the game, the demise of the Negro Leagues, the emergence of television, and the first efforts to move franchises and expand into new markets. Gietschier considers much of the work done by biographers, scholars, and baseball researchers to inform a new and current history of baseball in one of its more important and transformational periods.

Red Barber Judith R. Hiltner, James Robert Walker, 2022-04 2023 SABR Baseball Research Award A Booklist Top 10 Sports Recreation Book Finalist for the 2023 Seymour Medal Finalist for the 2022 CASEY Award Born and raised in rural Mississippi and the even balmy climes of central Florida, Red Barber at the age of thirty-two became one of New York City's most influential citizens as the play-by-play announcer for the Brooklyn Dodgers. When he arrived in 1939, Barber brought the down-home drawl and idioms of his southern roots to the borough where residents said they could walk down any street and never miss a pitch because his voice wafted out of every window and every passing car. From his colorful expressions like "rhubarb and sitting in the catbird seat" to his vivid use of similes, a close game was tighter than a new pair of shoes on a rainy day. Barber's

influence on his contemporaries and the many generations of broadcasters who followed him cannot be overstated. But behind all the base hits, balls and strikes lies a compelling story that dramatizes the shifting expectations and roles of a public figure: the sports broadcaster as he adapted to complex cultural changes throughout the course of twentieth century American life. Red Barber follows the trajectory of Barber's long career from radio and television play-by-play man for the Cincinnati Reds, Brooklyn Dodgers and New York Yankees to his work calling college and professional football games, his nine year tenure as director of sports for CBS Radio and his second acts as an Episcopal lay reader, sportswriter and weekly guest with Bob Edwards on NPR's Morning Edition. This talented public figure was also a private man committed to rigorous self examination and willing to evolve and grow under the influence of changing times. When the Dodgers first signed Jackie Robinson and smashed the color barrier in Major League Baseball, Barber struggled to overcome the racism he had absorbed from his culture as a child. But after observing the vicious abuse Robinson endured from opposing fans, Barber became an ardent supporter of him and the many Black players who followed. Barber was also bothered deeply by the strains that his single minded careerism imposed on his family. He was challenged to navigate longtime family tensions after his only child Sarah came out as a lesbian. And his primary role during the later years of his life was caretaking for his wife Lylah during her decline from Alzheimer's disease at a time when the ailment was something many families concealed. Ultimately, Red Barber traces the career of a true radio and television pioneer who was committed to the civic responsibility of mass media. Barber firmly believed the most important role of a broadcaster was telling the truth and promoting public well being.

The Kid on the Sandlot Stephen R. Lowe, 1995. It is however a story that scholars have written about only on the periphery and of which most sports fans know little.

Bridging Two Dynasties Society for American Baseball Research (SABR), 2019-05-20. Of all the New York Yankees championship teams, the 1947 club seemed the least likely. Bridging the gap between the dynasties of Joe McCarthy and Casey Stengel, the team managed by Bucky Harris was coming off three non pennant winning seasons and given little chance to unseat the defending American League champion Boston Red Sox. And yet led by Joe DiMaggio, this un-Yankees like squad of rookies, retreads and a few solid veterans easily won the pennant over the Detroit Tigers and the heavily favored Red Sox along the way, compiling an American League record nineteen game winning streak. They then went on to defeat the Brooklyn Dodgers in a dramatic seven game World Series that was the first to be televised and the first to feature an African American player. Bridging Two Dynasties commemorates this historic club, the players on the field and off and the events surrounding their remarkable season. Along with player biographies including those of future Hall of Famers DiMaggio, Bucky Harris, Yogi Berra and Phil Rizzuto, the book features a seasonal timeline and covers pertinent topics such as the winning streak, the Yankees involvement in Leo Durocher's suspension and the thrilling World Series.

Much More Than a Game Robert F. Burk, 2003-01-14. To most Americans, baseball is just a sport, but to those who own baseball teams and those who play on them, our national pastime is much more than a game. In this book, Robert Burk traces the turbulent

labor history of American baseball since 1921 His comprehensive readable account details the many battles between owners and players that irrevocably altered the business of baseball During what Burk calls baseball s paternalistic era from 1921 to the early 1960s the sport s management rigidly maintained a system of racial segregation established a network of southern based farm teams that served as a captive source of cheap replacement labor and crushed any attempts by players to create collective bargaining institutions In the 1960s however the paternal order crumbled eroded in part by the civil rights movement and the competition of television As a consequence in the inflationary era that followed both players and umpires established effective unions that successfully pressed for higher pay pensions and greater occupational mobility and then fought increasingly bitter struggles to hold on to these hard won gains
