A New Zen Reader

"This is a Reader to carry with you
on the Way." —GARY SNYDER

Edited by Nelson Foster and Jack Shoemaker
With a Foreword by Robert Aitken

Roaring Stream A New Zen Reader

Nathan Eric Dickman

Roaring Stream A New Zen Reader:

Roaring Stream Nelson Foster, 1997-10-01 The *Roaring Stream A New Zen Reader* is a groundbreaking immensely readable anthology drawn From the vast corpus of Ch an and Zen Buddhist literature It offers readers a tour through more than a millennium of writing presenting one masterpiece after another in chronological progression You can dip into the waters of this stream again and again at any point Finding refreshment and perspective notes Robert Aitken in his introduction A year From now you can dip in again and find treasures that were not at all evident the First time From lectures to letters brief poems to extended disquisitions this collection is an ideal point of entry For newcomers to the Zen tradition and an essential sourcebook For those who are already on the way Now the masterpieces of Zen Buddhist writing are available in a single volume applauds Library Journal This will be the standard introduction to Zen Buddhism For years to come

Zen Master Who? James Ishmael Ford, 2006-10-20 Surprisingly little has been written about how Zen came to North America *Zen Master Who* does that and much more Author James Ishmael Ford a renowned Zen master in two lineages traces the tradition s history in Asia looking at some of its most important figures the Buddha himself and the handful of Indian Chinese and Japanese masters who gave the Zen school its shape It also outlines the challenges that occurred as Zen became integrated into western consciousness and the state of Zen in North America today The author includes profiles of modern Zen teachers and institutions including D T Suzuki and Alan Watts and such topics as the emergence of liberal Buddhism and Christians Jews and Zen This engaging accessible book is aimed at anyone interested in this tradition but who may not know how to start Most importantly it clarifies a great and ancient tradition for the contemporary seeker

Zen's Chinese Heritage Andy Ferguson, 2011-03-09 *Zen s Chinese Heritage* traces twenty five generations of enlightened Buddhist teachers supplementing their core teachings with history biography and poetry The result is an intimate and profound human portrait of the enlightened Zen ancients and an unprecedented look into the depths of the rich cultural heritage In this new edition with even more valuable material Ferguson surveys generations of Zen masters moving chronologically through successive generations of ancestral teachers supplementing their core teachings with history biography and starkly beautiful poetry In addition to giving the reader the engaging sense of the family history of Zen this uniquely valuable book paints a clear picture of the tradition s evolution as a religious literary and historical force

Cultivating the Empty Field Taigen Dan Leighton, Yi Wu, 2000-08-01 *Cultivating the Empty Field* is a modern translation of the core of Chinese Ch an master Hongzhi s *Extensive Record* First to articulate the meditation method known to contemporary Zen practitioners as shikantaza just sitting Chinese Zen master Hongzhi is one of the most influential poets in all of Zen literature This translation of Hongzhi s poetry the only such volume available in English treats readers to his profound wisdom and beautiful literary gift In addition to dozens of Hongzhi s religious poems translator Daniel Leighton offers an extended introduction placing the master s work in its historical context as well as lineage charts and other

information about the Chinese influence on Japanese Soto Zen Both spiritual literature and meditation instruction Cultivating the Empty Field is sure to inspire and delight **Historical Dictionary of Buddhism** Carl Olson,2021-07-15 Moving beyond the original bodhi tree where the historical Buddha attained enlightenment Buddhism spread throughout Asia and in more recent history has become ubiquitous in America and other Western nations as it marches into the status of a major global religion During its history westward it has changed adapted to new cultures and offered spiritual help to those looking for answers to the problems of life Buddhism is studied in institutions of higher education practice by many people worldwide and its literature is translated in numerous languages Historical Dictionary of Buddhism Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 900 cross referenced entries on important personalities as well as complex theological concepts significant practices and basic writings and texts This book is an excellent resource for students researchers and anyone wanting to know more about Buddhism *Visions of Awakening Space and Time* Taigen Dan Leighton,2007-05-11 As a religion concerned with eternal salvation Zen is based on and grew out of a Buddhist worldview very different from the currently prevalent scientific materialism Indeed says Taigen Dan Leighton Zen cannot be fully understood outside of a worldview that sees reality itself as a vital ephemeral agent of awareness and healing In this book Leighton explicates that worldview through the writings of the Zen master Eihei D gen 1200 1253 considered the founder of the Japanese Soto Zen tradition which is now spreading in many places in the West Broader awareness of D gen s worldview and its implications says Leighton is helpful for a modern understanding of Zen and Mah y na praxis and is relevant to contemporary environmental and ethical concerns *Awakening in the Paradox of Darkness* Gary Tzu,2014-04-15 In *Awakening in the Paradox of Darkness* Gary Tzu illuminates a path from within the dark realms to awakening into non dual being By allowing dreaded experiences such as fear trauma exhaustion abandonment nothingness death and non existence to serve as a portal into non dual transformation we discover the light within the darkness revealing the bedazzling paradoxical mystery of existence In this book Gary invites readers on a healing journey into the heart of their darkest experiences for it is there in the midst of their most profound dread that non dual awakening lies *A Zen Wave (Large Print 16pt)* Robert Aitken,2010-05 Zen Buddhism distinguishes itself by brilliant flashes of insight and its terseness of expression The haiku verse form is a superb means of studying Zen modes of thought and expression for its seventeen syllables impose a rigorous limitation that confines the poet to vital experience Here haiku by Matsuo Basho 1644 94 the greatest Japanese haiku poet are translated by Robert Aitken with commentary that provides a new and deeper understanding of Basho s work than ever before In presenting themes from the haiku and from Zen literature that open the doors both to the poems and to Zen itself Aitken has produced the first book about the relationship between Zen and haiku His readers are certain to find it invaluable for the remarkable revelations it offers **Zen Master Raven** Robert Aitken,2017-08-22 A uniquely playful and incisive illustrated collection of Zen teaching stories from one of America s best

known and most respected Zen masters A Modern Classic In the tradition of the great koan collections and the extensive records of ancient masters Robert Aitken one of America s best known and most respected Zen masters distills a lifetime of teaching down to its essence Intriguing playful and deceptively easy to read Zen Master Raven is a brilliant encapsulation of Zen in over a hundred koan like encounters featuring curious beginners like Mallard and Mole to teachers in training like Porcupine to the profound wisdom of masters like Brown Bear Moose Roshi and Zen Master Raven himself **Five Spirits** Lorie Eve Dechar,Lorie Dechar,2006 Offering a Taoist map of the human psyche the Five Spirits provide a mythical view of the nervous system and form the basis of Chinese medical psychology An understanding of these Five Spirits is the key that opens the doorway to the mysteries of Taoist psycho spiritual alchemy Law's Task Louis E. Wolcher,2016-04-22 What is the ultimate task of law This deceptively simple question guides this volume towards a radically original philosophical interpretation of law and justice Weaving together the philosophical jurisprudential and ethical problems suggested by five general terms thinking human suffering legal meaning time and tragedy the book places the idea of law s ultimate task in the context of what actually happens when people seek to do justice and enforce legal rights in a world that is inflected by the desperation and suffering of the many It traces the rule of law all the way down to its most fundamental level the existence of universal human suffering and how it is that law doers inflict or tolerate that suffering *Tenryu-ji* Norris Brock Johnson,2012-07-10 Tenryu ji One of Kyoto s most revered Zen temples and a monument to Japanese history viewed through its monks gardens prayers and art This illustrated study of Tenryuji ranked number one among the five great Zen temples of Kyoto and a major destination for tourism and worship weaves together history design culture and personal reflection to reveal the inner workings of a great spiritual institution Looking at Tenryuji s present as a mirror to its past and detailing the famous pond and rockwork composition by renowned designer Muso Soseki Norris Brock Johnson presents the first full length biography of a Zen temple garden *Philosophical Hermeneutics and the Priority of Questions in Religions* Nathan Eric Dickman,2022-02-24 Buddhas gods prophets and oracles are often depicted as asking questions But what are we to understand when Jesus asks Who do you say that I am or Mazu the Classical Zen master asks Why do you seek outside Is their questioning a power or weakness Is it something human beings are only capable of due to our finitude Is there any kind of question that is a power Focusing on three case studies of questions in divine discourse on the level of story the god depicted in the Jewish Bible the master Mazu in his recorded sayings literature and Jesus as he is depicted in canonized Christian Gospels Nathan Eric Dickman meditates on human responses to divine questions He considers the purpose of interreligious dialogue and the provocative kind of questions that seem to purposefully decenter us drawing on methods from confessionally oriented hermeneutics and skills from critical thinking He allows us to see alternative ways of interpreting religious texts through approaches that look beyond reading a text for the improvement of our own religion or for access to some metaphysically transcendent reality This is the first step in a phenomenology of religions that is inclusive diverse

relevant and grounded in the world we live in Beyond Transcendence in Law and Philosophy Louis E. Wolcher, 2023-03-31

What is the law of the law What produces our craven subservience to linguistic norms and our shocking indifference to the phenomenon of universal suffering In a path breaking new work of philosophy Louis Wolcher seeks to answer these questions from the standpoint of Zen Buddhism Bringing an Eastern sensibility into contact with three of the most important themes in Western philosophy Beyond Transcendence in Law and Philosophy meticulously investigates three of the twentieth century s most important philosophers Martin Heidegger on being Emmanuel Levinas on ethics and Ludwig Wittgenstein on language In the context of the larger Western obsession with transcending the ordinary Louis Wolcher argues that the yearning for transcendence is born of the illusion that there is a fundamental difference between the ordinary and the profound Employing Zen koans and stories to advance a deflationary view of language and knowledge he goes on to argue that the norms of transcendence to which we cling are not eternal truths but artefacts of desperate minds adrift on a sea of impermanence What used to seem so majestically True Right and Just thus shows itself to be utterly mundane as merely true right and just What is left however is not nihilism for clinging to a view of nothingness is just as deluded as clinging to a view of somethingness but rather a new beginning of compassionate concern for the suffering of others Beyond Transcendence in Law and Philosophy is a strikingly original synthesis of Eastern and Western thought It will enlighten philosophers and legal theorists as well as those who are interested in or open to the insights of Zen Buddhism Entangling Vines , 2013-03-18

Entangling Vines is a translation of the Shumon Kattoshu the only major koan text to have been compiled in Japan rather than China Most of the central koans of the contemporary Rinzaï koan curriculum are contained in this work Indeed Kajitani Sonin 1914 1995 former chief abbot of Shokoku ji and author of an annotated modern Japanese translation of the Kattoshu commented that herein are compiled the basic Dharma materials of the koan system A distinctive feature of Entangling Vines is that unlike the Gateless Gate and Blue Cliff Record it presents the koans bare with no introductions commentaries or verses The straightforward structure of its presentation lends the koans added force and immediacy emphasizing the Great Matter the essential point to be interrogated while providing ample material for the rigors of examining and refining Zen experience Containing 272 cases and extensive annotation the collection is not only indispensable for serious koan training but also forms an excellent introduction to Buddhist philosophy **Dogen's Extensive Record** Eihei Dogen, 2010-03-10

Eihei Dogen the thirteenth century Zen master who founded the Japanese Soto School of Zen is renowned as one of the world s most remarkable religious thinkers As Shakespeare does with English Dogen utterly transforms the language of Zen using it in novel and extraordinarily beautiful ways to point to everything important in the religious life He is known for two major works The first work the massive Shobogenzo Treasury of the True Dharma Eye represents his early teachings and exists in myriad English translations the second work the Eihei Koroku is a collection of all his later teachings including short formal discourses to the monks training at his temple longer informal talks and koans with his commentaries as well as short

appreciatory verses on various topics The Shobogenzo has received enormous attention in Western Zen and Western Zen literature and with the publication of this watershed volume the Eihei Koroku will surely rise to commensurate stature Dogen's Extensive Record is the first ever complete and scholarly translation of this monumental work into English and this edition is the first time it has been available in paperback This edition contains extensive and detailed research and annotation by scholars translators and Zen teachers Taigen Dan Leighton and Shohaku Okumura as well as forewords by the eighteenth century poet monk Ryokan and Tenshin Reb Anderson former abbot of the San Francisco Zen Center plus introductory essays from Dogen scholar Steven Heine and the prominent late American Zen master John Daido Loori *Buddhism* Dale S.

Wright,2020-01-02 Buddhism is one of the oldest and largest of the world's religions But it is also a tradition that has proven to have enormous contemporary relevance Founded by Siddhartha Gautama who came to be called the Buddha the religion has spread from its origins in northeast India across Asia and eventually to the West taking on new forms at each step of the way Buddhism What Everyone Needs to Know offers readers a brief authoritative guide to one of the world's most diverse religious traditions in a reader friendly question and answer format Dale Wright covers the origins and early history of Buddhism the diversity of types of Buddhism throughout history and the status of contemporary Buddhism This is a go to book for anyone seeking a basic understanding of the origins history teachings and practices of Buddhism The One Life We're Given Mark Nepo,2017-07-25 By illuminating the art of finding and restoring what matters and by exploring the craft of awakening The One Life We're Given affirms our purpose as not just to stay alive but to stay in our aliveness Amazon.com

Dongshan's Five Ranks Ross Bolleter,2014-05-20 The first in depth English commentary on the Five Ranks a core text of the Zen tradition that teaches what can't be taught which contains new translations of all of the key texts of the Five Ranks cycle We imagine ourselves and the universe to be distinct but within us glimmers the suspicion that we are in fact intimately connected and inseparable from all that there is The dawning and expansion of such awareness is called enlightenment In his masterwork a suite of dialectical works known collectively as the Five Ranks Dongshan a Zen master of Old China approaches enlightenment from five angles using paradox and poetry to lay out a multifaceted path whereby we might discover enlightenment within this very moment Ross Bolleter Roshi assembles and provides commentary on all of the core texts of the Five Ranks including the precursors that inspired it and works inspired by it Approaching the Five Ranks from a rich and sophisticated koan perspective Bolleter Roshi augments his explanations of the works with liberal doses of humor and storytelling bringing this esteemed classic to life Each part of the Five Ranks focuses differently on the relationship between the timeless realm of our essential natures and the contingent realm of life and death They encourage us to transcend naive individualism and to bring our best qualities of compassion and wisdom intimately into our daily lives In this regard Dongshan's Five Ranks lays out the path that every student of the Way must traverse on the journey to becoming a teacher *Visions of Mahayana Buddhism* Nagapriya,2014-05-13 In a unique overview of this inspiring tradition Nagapriya

introduces its themes and spectrum of practices literature and movements Charting the evolution and expression of the Mahayana as a whole he tracks its movement across South and East Asia uncovering its history culture and doctrines and blending this extensive knowledge with a strong element of lived practice Ideal for both teaching and personal use this far reaching guide provides a solid foundation for any study in Buddhism and a valuable voice on Asian history
