Biography of a Book: Henry Lawson's While the Billy Boils Paul Eggert,2013 Biography of a Book traces the life of an iconic Australian literary work in the lead up to and for a century after its initial publication Henry Lawson s 1896 collection While the Billy Boils Paul Eggert follows Lawson s gradual development of a pared back bush realism in the early 1890s as he struggled to forge a career writing short stories and sketches for the newspapers Lawson s famous collection came out at a decisive moment for the development of a fully professional Australian literary publishing industry then in its infancy in Sydney The volume s editing design and production were collaborative events that changed the feel and nature of Lawson s writing He had to give ground on his texts and their sequencing The collection went on to be reprinted and

repackaged countless times Its production and reception histories act like a geological cross section revealing the contours of successive cultural formations in Australia In unravelling the life of Lawson s classic work Eggert s book historical approach challenges and clarifies established understandings of crucial moments in Australian literary history and of Lawson himself
