Robert Hovda The Amen Corner:

Robert Hovda Robert W. Hovda, 1994 A collection of essays by one of America's best pastoral liturgists. These pieces are as fresh today as when they were first written. They challenge the Church to be faithful to its tradition and at the same time keenly aware of the contemporary world and its needs. **Liturgy for the New Millennium** Anscar J. Chupungco, Keith F. Pecklers, 2000 Liturgy for the New Millennium **Toward Ritual Transformation** Robert W. Hovda, Gabe Huck, 2003 In *Toward Ritual Transformation* renowned liturgist Robert W. Hovda and other distinguished liturgists who have followed his lead challenge the Church to continue a pilgrimage toward beauty and justice, the inseparable components of Christian liturgy and life. Father Hovda's bishop once accused him of having a messiah complex. Hovda replied, "I thought we were supposed to." Hovda's messiah complex was the idea of a church never finalized or finished, never an accomplished fact but always on pilgrimage, seeking, growing, and helping the world grow toward what Scripture calls the reign of God. This faith community comes to realize gradually with the help of the Word of God and the signs of the times that its ministry in the world is the liberation and unification of the human race because the God of the Bible is a God who is living, whose creative work is ongoing, and whose call beckons us always to move beyond where we are at any given moment. Essays and their contributors are: *A Tree Planted by a Stream* by Gabe Huck, *The Sacred Silence and Song* by Robert W. Hovda, *Liturgical Prayer Twenty-five Years of Change* by Virgil C. Funk, *Ritual Transformations: Principles, Patterns, and People* by J. Michael Joncas, *Being Beautiful, Being Just* by Nathan D. Mitchell, *The Transforming Power of Music: Tales of Transformation* by James Savage, and *All at Once the Music Changed* by John Foley S.J. *Reforming the Liturgy* John F. Baldovin, 2016-03-24 2009 Catholic Press Association Award Winner. Perhaps no liturgical scholar of our time is better able than John Baldovin to write with clarity and accuracy about the meaning of the church's liturgy and the history of its development in the last half century. In this summary volume on the reform of the liturgy since the Second Vatican Council, Baldovin pinpoints and assesses both sympathetically and critically the objections to changes in the liturgy since the council, focusing on philosophical, historical, critical, and theological questions. After addressing each criticism in turn, in a final chapter he assesses the critique of post-Vatican II liturgy as a whole, affirming what is accurate and necessary, rejecting what is backward-looking, and proposing a set of principles to guide future development. No one who studies or participates in liturgical action in the twenty-first century can afford to overlook this book. John F. Baldovin S.J. is professor of historical and liturgical theology at Boston College School of Theology and Ministry. His most recent books include *Bread of Life*, *Cup of Salvation*, and *The Urban Character of Christian Worship*. *At the Heart of the Liturgy* Maxwell E. Johnson, Timothy P. O'Malley, Demetrio S. Yocum, 2014-12-17 From 1991 to 2012 Nathan D. Mitchell was the author of the Amen Corner that appeared at the end of each issue of *Worship*. Readers of *Worship* grew accustomed to Nathan's columns as invitations to rethink the practice of Christian worship through a liturgical theology that was interdisciplinary, aesthetic, and attentive to history. With the soul of a poet, Nathan was always on the

lookout for the turn of phrase image stanza or metaphor from other classic wordsmiths that could capture the liturgical insight he wanted to explore For the first time this volume assembles some of the most important of these columns around the themes of body Word Spirit beauty justice and unity In addition Nathan s former students offer substantive commentary through essays that invite the reader to consider how the themes raised by Nathan might develop in the coming years This collection is a must read both for those who admired Nathan s contribution to liturgical studies and for a newer generation of scholars seeking to discern the frontiers of liturgical theology Nathan D Mitchell is an emeritus professor of liturgy in the Department of Theology at the University of Notre Dame In 1998 Mitchell was presented with the Berakah Award from the North American Academy of Liturgy for his contribution to the field His many publications include the following books Meeting Mystery Liturgy Worship Sacraments and The Mystery of the Rosary Marian Devotion and the Reinvention of Catholicism

Fully Conscious, Fully Active Bryan Cones and Stephen Burns,2020-01-27 This collection of essays explores the work of Gabe Huck and its effect on liturgical thought and renewal

This Assembly of Believers Bryan Cones,2020-11-30 Among the symbols with which the liturgy deals none is more important than this assembly of believers This claim made in the 1970s forces the local church to consider those within its congregation and recognise the gifts and challenges of difference within the church community In This Assembly of Believers Bryan Cones seeks to take seriously the pastoral context of a congregation recognising the physical ability gender and sexuality of those who make up the congregation Starting each chapter with their lived experience Cones poses important questions of the liturgy in light of these experiences before realigning the liturgy to demonstrate the positive theological significance of the marginalised within the congregation

The Worshipping Body Kimberly Bracken Long,2009-10-02 Kimberly Bracken Long by focusing on what presiders do with their bodies eyes ears lips hands feet and heart describes an attitude and style of worship leadership that is both firmly rooted and blessedly free A wonderful offering for all worship presiders seminarians commissioned lay pastors new pastors and experienced pastors The Worshipping Body is essential reading for anyone interested in how their presence and movement during worship make a difference

Sacred Mysteries Dennis Chester Smolarski,1995 Sacred Mysteries opens by reflecting on the continual process of reform in the church and on the foundational principles for all liturgical action It then moves to a discussion of each of the sacraments with

particular reference to the way they are ritualized in the assembly A final chapter addresses practices that can cloud the experience of mystery during liturgical celebrations and thus inhibit rather than enhance the power of the rite
