Robertson Davies A Mingling Of Contrarities:

Robertson Davies Camille R. La Bossière, Linda M. Morra, 2001 This collection of essays on the writing of Robertson Davies addresses the basic problems in reading his work by looking at the topics of doubling disguise irony paradox and dwelling in gaps or spaces in between The essays present new insights on a broad range of topics in Davies oeuvre and represent one of the first major discussions devoted to Davies work since his death in 1995 Published in English

Robertson Davies Nicholas Maes, 2009-03-23 Born in Thamesville Ontario a student at Queen's University in Kingston in the 1930s and editor and later publisher of the Peterborough Examiner from the 1940s to the mid 1960s playwright essayist critic professor and novelist Robertson Davies 1913-1995 was one of Canada's pre-eminent literary voices for more than a half century Davies with his generous beard and donnish manner was the very epitome of the man of letters a term he abhorred Best known for his Deptford Trilogy of novels Fifth Business The Manticore World of Wonders he also wrote two other trilogies Salterton and Cornish and was at work on the third volume of another trilogy Toronto when he died With a life as rich in character and colour as that found in his fiction and essays Davies had a great fondness for magic and myth both of which are found in abundance in his work along with a prodigious streak of wry humour

The Routledge Companion to Theatre-Fiction Graham Wolfe, 2023-11-14 Novelists have long been attracted to theatre Some have pursued success on the stage but many have sought to combine these worlds entering theatre through their fiction setting stages on their novels pages and casting actors directors and playwrights as their protagonists The Routledge Companion to Theatre Fiction has convened an international community of scholars to explore the remarkable array of novelists from many eras and parts of the world who have created fiction from the stuff of theatre asking what happens to theatre on the pages of novels and what happens to novels when they collaborate with theatre From J W Goethe to Louisa May Alcott Mikhail Bulgakov Virginia Woolf and Margaret Atwood some of history's most influential novelists have written theatre fiction and this Companion discusses many of these figures from new angles But it also spotlights writers who have received less critical attention such as Dorothy Leighton Agustín de Rojas Villandrando Ronald Firbank Syed Mustafa Siraj Li Yu and Vicente Blasco Ibáñez bringing their work into conversation with a vital field A valuable resource for students scholars and admirers of both theatre and novels The Routledge Companion to Theatre Fiction offers a wealth of new perspectives on topics of increasing critical concern including intermediality theatricality antitheatricality mimesis diegesis and performativity

Robertson Davies's Cornish Trilogy Victor J. Lams, 2008 Robertson Davies's Cornish Trilogy A Reader's Guide is the first book length study of Davies's best work The Rebel Angels What's Bred in the Bone and The Lyre of Orpheus In The Rebel Angels Maria and Darcourt alternate in narrating the novel's theme obsession before escaping from its grip by their mutual assistance while other characters are less fortunate What's Bred in the Bone narrates the artistic development of Canadian painter Francis Cornish which is crowned by his stunning Marriage at Cana an iconographic presentation of his personal myth a color reproduction of

Bronzino's Allegory exemplifies their stylistic kinship While The Lyre of Orpheus is ostensibly focused on the completion and staging of an unfinished Hoffmann opera it narrates the ameliorative personal development of the characters who interact during that project

Emergence and Empire John Bonnett, 2013-11-01 Harold Innis was one of the most profound thinkers that Canada ever produced Such was his influence on the field of communication that Marshall McLuhan once declared his own work was a mere footnote to Innis But over the past sixty years scholars have had a hard time explaining his brilliance in large measure because Innis's dense elliptical writing style has hindered easy explication and interpretation But behind the dense verbiage lies a profound philosophy of history In *Emergence and Empire* John Bonnett offers a fresh take on Innis's work by demonstrating that his purpose was to understand the impact of self organizing emergent change on economies and societies Innis's interest in emergent change induced him to craft an original and bold philosophy of history informed by concepts as diverse as information Kantian idealism and business cycle theory Bonnett provides a close reading of Innis's oeuvre that connects works of communication and economic history to present a fuller understanding of Innis's influences and influence *Emergence and Empire* presents a portrait of an original and prescient thinker who anticipated the importance of developments such as information visualization and whose understanding of change is remarkably similar to that which is promoted by the science of complexity today

Essay and General Literature Index Minnie Earl Sears, Marian Shaw, Dorothy Herbert West, 2003 Includes List of books indexed published also separately

Majesty in Canada Colin Coates, 2006-02-04 On the occasion of the fiftieth anniversary of Queen Elizabeth's accession to the throne the Centre of Canadian Studies of the University of Edinburgh hosted its annual conference on the theme Majesty in Canada The essays that were presented at that conference reflect the wide ranging recognitions of the different roles that monarchs and their representatives have played in Canada The essays examine how Canadians have understood their ties to royalty and how the regal principle formed an important part of the national identity Royal tours vice regal initiatives representations of the sovereign's power and Canadian appeals to monarchical sentiments comprise the themes of these engaging essays providing an up to date look at the historical and current personal influence of the Crown in Canada
