

'Juno and the Paycock' by Sean O'Casey

Questions for critical essays usually focus on character, setting, and theme. You should have detailed handouts and notes for all these aspects of the play.

In an exam the questions are unseen and you need to adapt your essay to fit the question. Here is an example of a question you may be asked:

Choose a play which deals with an important human issue.

Say what the issue is and go on to show how two or more characters in the play deal with this issue.

In your answer refer to at least two of: theme, setting, conflict, key scenes, climax, dialogue or any appropriate feature

Some of the issues we have looked at are religion, poverty, truth and illusion, and the role of the labour movement, which are all themes in 'Juno.' You could answer the question with an essay based on one of these human issues.

Introduction

You need to demonstrate:

- 1) an understanding of the question
- 2) how you intend to answer it

Include:

- The title
- The author
- The words of the question
- The theme
- A brief summary of the play

Example:

'Juno and the Paycock' is a play by Sean O' Casey which deals with an important human issue. The theme of _____ is explored through the various characters in the play. The play centres around a family of four, living in a tenement house in Dublin, during the Irish Civil War in the early 1920s. The family's fortunes change when they believe themselves to be the inheritors of a large sum of money. However, the family never receive the money and are left in a worse situation than before.
