Sean O Conaills:

Seán Ó Conaill's Book Seán Ó Conaill, 1981 **International Folkloristics** Alan Dundes, 1999 International folkloristics is a worldwide discipline in which scholars study various forms of folklore ranging from myth folktale and legend to custom and belief Twenty classic essays beginning with a piece by Jacob Grimm reveal the evolving theoretical underpinnings of folkloristics from its nineteenth century origins to its academic coming of age in the twentieth century Each piece is prefaced by extensive editorial introductions placing them in a historical and intellectual context The twenty essays presented here including several never published previously in English will be required reading for any serious student of folklore Scattering the Proud Sean O'Conaill, 2012-07-12 In this radically original and optimistic reflection on the future of Christianity in the Western world Sean O'Conaill starts from the conviction that the life ministry and death of Jesus of Nazareth were a deliberate reversal of the human heroic journey to adulation and influence which has caused violence tyranny and injustice in all epochs He did not identify with or seek to emulate the powerful and the influential he sought out the outcasts and taught that every person was of equal worth in the eyes of God In the end he exalted the person who was most despised the victim by accepting an ignominious death O'Conaill argues that even since the earliest times Jesus's followers have been tempted to rejoin the upward journey toward power and influence a journey which inevitably creates pyramids of esteem or hierarchies of respect which glorify individuals and elites at the expense of majorities The development of the relationship between Christianity and the political establishment in the fourth century soon associated Christ himself with coercion and led in the end to the schisms between East and West Protestant and Catholic and between Christianity and liberal secularism It is also at the root of the silent schism within the Catholic church today The future of Christianity then lies in its willingness to abandon this upward journey and to return to the essence of the gospel message not only institutionally but personally in the lives of all Christians This return to a countercultural stance will aim to raise the disadvantaged and to secure the future of the global family and its environment **Contemporary Irish Traditional Narrative** Clodagh Brennan Harvey, 1992-05-26 1 Social Change and the Storytelling Tradition Modernization and Economic Change Factors Effecting the Decline of Traditional Storytelling Technological Innovations Dance Halls and Public Houses The Introduction of the Automobile The Modernization of Homes Education Literacy and the Decline of the Language The Death of the Tradition 2 Folklore Collectors and the Irish Storytelling Tradition The Pivotal Role of the Collectors Collecting in the Past Folklore Collecting Today Self Consciousness and the Storytelling Tradition County Clare A Symbiosis of Music and Storytelling The Influence of Eamon Kelly Limitations in the Documentation of the Tradition 3 The Current Status of the Two Language Traditions Developments in the Study of Traditional Narrative Aesthetic Considerations in Traditional Storytelling The Preeminence of the Irish Language Tradition The English Language Tradition Narrating and Narrators of Scealaíocht The English Language Tradition Narrating and Narrators of Seanchas Final Considerations and Portents of

Morrison, 2013-12-19 Throughout its history the Irish Republican Movement has been beset by splits The former paramilitary and author Brendan Behan famously

quipped that The first thing on the agenda was always the split In this in depth research Morrison analyses the splits through his extensive range of interviews with leadership and rank and file members of the political and paramilitary wings of the Movement This timely analysis shows how the splits have both aided the politicization of Sinn Fein and the Provisional IRA while in parallel they have brought about the recent intensification of dissident Republican paramilitary activity He charts the rise of groups including the Real IRA Continuity IRA and the newly emerging New IRA By applying his unique process model of splits Morrison provides an insightful analysis of this long lasting terrorist movement

The Event and Its Terrors Stuart John McLean,2004 The Event and its Terrors undertakes a critical reimagining of one of the major events of Irish history the Great Famine of the 1840s and of its subsequent legacies Drawing on a wide range of sources past and present it considers the emergence of the Famine as an object of historical knowledge and controversy with reference both to the experience of modernity and to the production of academic and nationalist histories in colonial and post independence Ireland In doing so it explores the possibility of alternative modes of engagement with the past via contemporary eyewitness accounts oral histories literature folklore and present day commemorative events

The Devil from over the Sea Sarah Covington,2022-03-24 In Ireland few figures have generated more hatred than Oliver Cromwell whose seventeenth century conquest massacres and dispossessions would endure in the social memory for ages to come The Devil from over the Sea explores the many ways in which Cromwell was remembered and sometimes conveniently forgotten in historical religious political and literary texts according to the interests of different communities across time Cromwell s powerful afterlife in Ireland however cannot be understood without also investigating his presence in folklore and the landscape in ruins and curses Nor can he be separated from the idea of the Cromwellian a term which came to elicit an entire chain of contemptuous associations that would begin after his invasion and assume a wholly new force in the nineteenth century What emerges from all these memorializing traces is a multitudinous Cromwell who could be represented as brutal comic sympathetic or satanic He could be discarded also tellingly from the accounts of the past and especially by those which viewed him as an embarrassment or worse In addition to exploring the many reasons why Cromwell was so vehemently remembered or forgotten in Ireland Sarah Covington finally uncovers the larger truths conveyed by sometimes fanciful or invented accounts Contrary to being damaging examples of myth making the memorializations contained in martyrologies folk tales or newspaper polemics were often productive in cohering communities or in displaying agency in the form of counter memories that claimed Cromwell for their own and reshaped Irish history in the process

Studies in Folk Life Pbdirect Geraint Jenkins,2015-02-11 This collection first published in 1969 presents

essays written by twenty of the most eminent scholars from the British Isles and Europe on aspects of folk life studies The essays are written in honour of Dr Iorwerth C Peate Curator of the Welsh Folk Museum and doyen of folk life studies in Britain to mark his retirement as the first President of the Society for Folk Life Studies In the present book all the various aspects of folk life from linguistics to sociology from architecture to agrarian history are covered reflecting the wide interests of Dr Peate and his valuable contribution to the development of the study of traditional life in Britain Special Category Ruán O'Donnell,2015-08-25 This pioneering three part work is the definitive history of Irish Republican prisoners detained in England s maximum security prison dispersal system during the entire period of the Troubles A resurgence of IRA violence in Britain resulted in a steady stream of prisoners that ensured the organisation maintained a significant jail population Based on private correspondence British state archives declassified government documents international media reports and memoirs of key protagonists account is taken of all major riots roof top protests sabotage attacks and escape attempts undertaken by the IRA as well as the little known blanket protest undertaken in several locations in England Special Category Volume 2 tells the full story of the Wormwood Scrubs riot of August 1979 Brixton breakout of December 1980 and the pivotal Albany mutiny of May 1983 told for the first time using fresh eye witness accounts as well as official and public sources The perspectives of the Irish and British governments various judiciaries international legal forums ordinary decent criminals and prisoner solidarity groups are outlined in detail This ground breaking book establishes that the prison war in England was a far more important IRA theatre of action than hitherto realised The IRA, 1968-2000 J. Bowyer Bell,2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle **An ceathramhadh leabhar** Irish Self-Determination League of Great Britain,1908 **Learning behind Bars** Dieter Reinisch,2022-10-03 Learning behind Bars is an oral history of former Irish republican prisoners in the Republic of Ireland and Northern Ireland between 1971 the year internment was introduced and 2000 when the high security Long Kesh Detention Centre HM Prison Maze closed Dieter Reinisch outlines the role of politically motivated prisoners in ending armed conflicts as well as the personal and political development of these radical activists during their imprisonment Based on extensive life story interviews with Irish Republican Army IRA ex prisoners the book examines how political prisoners developed their intellectual positions through the interplay of political education and resistance It sheds light on how prisoners used this experience to initiate the debates that eventually led to acceptance of the peace process in Northern Ireland Politically relevant and instructive Learning behind Bars illuminates the value of education politics and resistance in the harshest of social environments *The Limits and Legitimacy of Referendums* Richard Albert,Richard Stacey,2022 The possibility of democracy enhancing uses and anti democratic abuses of referendums reveals a paradox mechanisms of democracy can be exploited to do violence to the basic principles of democracy The Limits and

Legitimacy of Referendums seeks to identify standards we might use to assess the democratic legitimacy of a referendum when we cannot rely on the norms of traditional liberal democracy This innovative book explores how referendums manage the tension between liberalism and democracy and whether this device holds promise for reconciling these two commitments A range of scholars from around the world expose how referendums may be abused on one hand to achieve short term political or even personal gains and how on the other they may aspire to reflect the best traditions of deliberative innovative democracy enhancing popular decision making Structured around three big questions this book seeks to identify what makes a referendum legitimate First why have referendums on issues of fundamental political importance become so frequent around the world Second who are or who should be the people that make decisions about a political community s future And third are referendums an effective and reliable mechanism of popular sovereignty or democratic choice These essays written for scholars public lawyers political actors and citizens bring together diverse perspectives on referendums constitutionalism liberalism and democracy in ways that challenge the conventional wisdom prompt new answers to enduring questions and urge reconsideration of how we evaluate the legitimacy of referendums A Secret History of the IRA Ed Moloney,2002 A portrayal of the Irish Republican Army includes coverage of its associations with Qaddafi s regime Margaret Thatcher s secret diplomacy with Gerry Adams and the Catholic Church s negotiations with Republican leadership

Sean O Conaills Introduction

In today's digital age, the availability of Sean O Conaills books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sean O Conaills books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sean O Conaills books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sean O Conaills versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sean O Conaills books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sean O Conaills books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sean O Conaills books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sean O Conaills books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sean O Conaills books and manuals for download and embark on your journey of knowledge?
