Searching For Hassan An American Familys Journey Home To Iran:

Searching for Hassan Terence Ward,2022-03-22 Growing up in Tehran in the 1960s Terence Ward and his brothers were watched over by Hassan the family s cook housekeeper and cultural guide After an absence of forty years and much tumult in Iran Ward embarked on a pilgrimage with his family in search of Hassan Taking us across the landscape of Iran he interweaves its incredibly rich past and explores its deep conflicts with its Arab neighbors and our current administration Insightful moving and timely Searching for Hassan puts a human face on the long suffering people of the Middle East with this story of a American family who came to love and admire Iran through their deep affection for its people **Life Stories** Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books *Going Places* Robert Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alikes with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader s Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alikes and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing **Confessions of a Microfinance Heretic** Hugh Sinclair,2012-07-09 This memoir by a microfinance insider is essential reading for anyone interested in development economics a disturbing and yet ultimately hopeful expos John Perkins New York Times bestselling author of *Confessions of an Economic Hitman* This is the account of a microfinance true believer whose decade in the industry turned him into a heretic Working with several microfinance

institutions around the world Hugh Sinclair realized that the 70 billion industry wasn't doing much to help the people it claimed to serve In fact exorbitant interest rates led borrowers into never ending debt spirals and aggressive collection practices resulted in cases of forced prostitution child labor suicide and nationwide revolts against the microfinance community Sinclair weaves a shocking tale of a system increasingly focused on maximizing profits particularly once large banks got involved He details his discovery of several scandals one of the most disturbing involving a large African microfinance institution of questionable legality that charged interest rates in excess of one hundred percent per year and whose investors and supporters included some of the most celebrated leaders of the microfinance sector Sinclair's objections were first met with silence then threats attempted bribery and a court case and eventually led him to become a principal whistleblower in a sector that had lost its soul Microfinance can work Sinclair describes moving experiences with several ethical and effective organizations and explains what made them different But without the fundamental reforms that Sinclair recommends here microfinance will remain an investment opportunity that will leave the poor with hollow promises and empty pockets
