Ross Winterowd,2004-08-20 Searching for Faith A Skeptic s Journey is intended for the general reader It is not a scholarly book however it is the result of a decades long interest in how readers read and how texts convey their meaning leavened by a very personal commitment to the quest for faith It explores timely questions that must concern anyone who thinks about faith particularly insofar as faith is based on the Bible **Searching Issues** Nicky Gumbel,2011 Offers carefully reasoned answers to the seven questions most commonly raised in the search for faith Faith Questions Donagh O'Shea,2012-10 The conversations in this book reveal some of the anger the sadness the disaffection of ordinary people in today s Church as well as their enduring search for hope and meaning Finding Faith---A Search for What Makes Sense Brian D. McLaren,2009-07-13 Does having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I

believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can't help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they're your answers conclusions you've arrived at personally without manipulation coercion or game playing For faith to exist and grow it's got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul **Searching for Faith** Kristen Middleton, 2017-03-23 A psychological thriller written by NY Times Bestselling Author Kristen Middleton SPECIAL PRICING Won't Last A missing child A gifted psychic A serial killer who preys on the innocent When a seven year old girl goes missing near Two Harbors Minnesota psychic Carissa Jones offers to help locate her Desperate to find the child and with no real leads the local authorities agree to pull her into the case In Search of Faith Ruben L Martinez, 2020-11-10 This book looks at the various relationships in which faith is to be developed relationship with God in marriage within the family in the workplace and other areas Throughout the book the author soundly expounds pertinent biblical passages **Seeking & Finding God (B)** Dave Hunt, 2021-04-02 It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important question to be faced and answered **Asking, Searching, and Knocking** Halbert Smith, 2015-12-13 This book is about a quest for faith Faith seems to be something most people believe you either have or you don't you don't search for it hoping to find it Yet how can you have it automatically Are you born with it or have you been conditioned to believe that you have it Maybe your parents started you in Sunday School at a very early age and you were confirmed and graduated to church and perhaps adult Sunday School Perhaps you have gone to church for a number of years and you have heard the same propositions of the Christian faith uttered so many times that you think there is no other way to believe Does God exist This is the most basic of questions Is there evidence of God's existence Is it more than just wonder at the Universe and writings of the Bible I look at some strong circumstantial evidence in this regard Those who have faith presumably believe unquestionably not only in the divinity of Jesus but also in the elements of dogma associated with him in the New Testament the virgin birth the bodily resurrection Jesus death as a ransom for our sins the ascension original sin the Immaculate Conception atonement and redemption Must one believe in all

of these ideas in order to have faith Or can you believe in some of them and not in others And what if you don't believe in any of them but somehow acknowledge the divinity of Jesus Can you count yourself as a believer one who has faith In this book I attempt to examine these elements of Christianity and to decide whether they make sense or not And if they don't make sense what import this decision may have for Christian belief Also what about churches and organized religion Is religion necessary to be spiritually at one with God And do churches turn people away from Christianity because they may not follow Jesus teaching to love thy neighbor as thyself These questions and others are addressed in this book *Reaching New Levels of Faith* Curtis Hartshorn, MBS, 2024-11-12 Strong faith What difference would rock solid faith make in your life Would you be willing to put some effort into developing stronger faith This course will teach you what strong faith is and how to reach it using the Bible as your guide You will learn not only how to enrich your faith but also how to develop stronger faith in others **Finding Faith---A Search for What Is Real** Brian D. McLaren, 2009-07-13 There have been times when you've felt that if there isn't a God there ought to be Swept up in the mystery of the night sky you've felt the closeness of its designer Nature's extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you're not even sure exists Religious jargon and games can't satisfy such a longing It's got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul **Roman Jacobson's Prism** The Rev. Dr. Ronald Hunt, 2018-05-22 Roman Jacobson's Prism Learning the Language of Faith is a dissertation that examines the common elements found in the catechetical documents of the three mainline Canadian churches the Anglican Roman Catholic and United Church Dr Hunt employs Roman Jakobson's communication theory for the analysis as communication is central to faith education Twenty first century churches need to respond effectively to the faith education of their membership and Dr Hunt hopes that this work will inspire the churches of today to create faith responses to the challenges that the world faces now and into the future *Faith, Religion & Theology* Brennan Hill, Paul F.
