Institute of Library Research, University of California, Berkeley, 1972 **The Art of the Song Recital** Shirlee Emmons, Stanley Sonntag, 2001-11-15 Since its original publication the Emmons Sonntag text has continually stood out as the definitive work on the song recital The book presents imaginative advice and practical techniques for producing successful recitals and kindling audience excitement Every aspect of the recital is covered from building programs and the use of acting skills to the

relationship between the singer and the accompanist. Singers of all levels and backgrounds will benefit from the authors' vast experience in the performance of song recitals as a singer-accompanist team. The comprehensive repertoire lists, now organized by voice and instrumentation as well as by composer, appeal to both students and professional musicians. Readers will agree that the authors have met their goal of providing extensive, thoroughgoing and definitive insights into the attributes that can render the song recital at once a great art and a magnificent entertainment. **The Routledge Intermediate to**

Advanced Japanese Reader Noriko Iwasaki, Yuri Kumagai, 2021-02-27. The Routledge Intermediate to Advanced Japanese Reader: A Genre-Based Approach to Reading as a Social Practice is designed for intermediate to advanced learners of Japanese and presents twenty-five authentic texts taken from a wide range of media and literary sources which promote a deeper understanding of Japan among readers. The book is divided into ten genre-based chapters, allowing the learner to focus on the textual features relevant to that genre. Key features include: Selected texts covering topics related to Japanese language, society and culture encountered in the Japanese media, from news reports to interviews, book reviews, short stories and editorials; Word lists for challenging vocabulary and kanji provided throughout to aid comprehension and learning; Pre-reading activities to enable familiarity with the topic, the text's background and words to be encountered in the reading passages; Short grammar explanations of essential structures; Questions to help comprehension; raise awareness of genre features; promote critical reading and to encourage the reader to think more deeply about the content; Opportunities to write passages utilizing what has been learned by reading the text; Vocabulary and grammar lists at the back of the book. The Routledge Intermediate to Advanced Japanese Reader emphasizes reading as a purposeful social act which requires readers to make meaning of the text by considering the authors' choices in language, scripts, vocabulary, styles in the text. The learners are guided to situate each text in society, for example, the author, target audience, social/cultural background related to the subject, in order to understand the social significance of reading and writing. This book aims to help learners develop the ability to critically read and write in Japanese for their own social purposes. It is suitable for both class use and independent study. 〇〇〇〇〇〇, 2003. This dictionary includes over 4500 Chinese characters with over 60,000 entries. The entries cover a wide range of topics, including technical and specialized new terms and phrases, especially those which have appeared since the 1990s.
