The Dream of the Poem , 2009-01-10 Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most

powerful body of Jewish poetry written since the Bible Fusing elements of East and West Arabic and Hebrew and the particular and the universal this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language place and time Peter Cole's translations reveal this remarkable poetic world to English readers in all of its richness humor grace gravity and wisdom The Dream of the Poem traces the arc of the entire period presenting some four hundred poems by fifty four poets and including a panoramic historical introduction short biographies of each poet and extensive notes The original Hebrew texts are available on the Princeton University Press Web site By far the most potent and comprehensive gathering of medieval Hebrew poems ever assembled in English Cole's anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation a body of lyric and didactic verse so intense so intelligent and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us The Dream of the Poem is Howard says a crowning achievement

The Collected Lyric Poems of Luís de Camões Luís de Camões, 2008-07-21 Lu's de Cam'es is world famous as the author of the great Renaissance epic The Lusads but his large and equally great body of lyric poetry is still almost completely unknown outside his native Portugal In The Collected Lyric Poems of Lu's de Cam'es the award winning translator of The Lusads gives English readers the first comprehensive collection of Cam'es's sonnets songs elegies hymns odes eclogues and other poems more than 280 lyrics altogether all rendered in engaging verse Cam'es 1524-1580 was the first great European artist to cross into the Southern Hemisphere and his poetry bears the marks of nearly two decades spent in north and east Africa the Persian Gulf India and Macau From an elegy set in Morocco to a hymn written at Cape Guardafui on the northern tip of Somalia to the first modern European love poems for a non-European woman these lyrics reflect Cam'es's encounters with radically unfamiliar peoples and places Translator Landeg White has arranged the poems to follow the order of Cam'es's travels making the book read like a journey The work of one of the first European cosmopolitans these poems demonstrate that Cam'es would deserve his place among the great poets even if he had never written his epic

Collected Poems C. P. Cavafy, 1992-09-28 C P Cavafy 1863-1933 lived in relative obscurity in Alexandria and a collected edition of his poems was not published until after his death Now however he is regarded as the most important figure in twentieth century Greek poetry and his poems are considered among the most powerful in modern European literature Here is an extensively revised edition of the acclaimed translations of Edmund Keeley and Philip Sherrard which capture Cavafy's mixture of formal and idiomatic use of language and preserve the immediacy of his frank treatment of homosexual themes his brilliant re-creation of history and his astute political ironies The resetting of the entire edition has permitted the translators to review each poem and to make alterations where appropriate George Savidis has revised the notes according to his latest edition of the Greek text About the first edition The best English version we are likely to see for some time James Merrill The New York Review of Books Keeley and Sherrard have managed the miracle of capturing this elusive inimitable unforgettable
