Lost Souls Finding Hope In The Heart Of Darkness:

Lost Souls Niles Elliot Goldstein, 2002 These days it is no longer just adolescents who feel that the universe is falling apart In *Lost Souls* Niles Goldstein writes of the chaos and fear so many of us experience in our public and private lives and makes it clear that we are not nor have we ever been alone in our angst To illustrate the different stages we often encounter when we feel lost whether the trigger for our disorientation and despair is the loss of a loved one or a job or the result of an injury or depression Goldstein interweaves contemporary stories of men and women he has met through his work as a rabbi and a law enforcement chaplain with those of biblical figures such as Cain David and Bathsheba Samson Tamar and several of the prophets As in his last book *God at the Edge* Goldstein explores the shadow side of the human condition His accounts are often disturbing but his insights are always inspiring What he brings us is a message of particular relevance today namely that a journey through the wilderness be it emotional existential or geographical is a transformative and strengthening process even though it may not seem so at the time In chronicling the stories of survivors who have traveled through perilous and at times unexplored territory Goldstein not only shows us how to face the challenges of being human he also delivers a promise of meaning direction and hope in our lives
