Lake Erie Islands Michael Gora, 2004 For those of us who know the area the Lake Erie Islands are a beautiful and special place that can more than compete with any other islands as a place to live or visit But much of their history has been difficult to find for a long time There are many wonderful stories and pictures about the history of Put in Bay Middle Bass Island North Bass Island Pelee Island and Kelleys Island as well as many of the smaller islands that we have compiled into this volume The first of six sections in the book includes all of Lydia Ryall's 1913 Sketches and Stories of the Lake Erie Islands Perry Centennial Edition 1813-1913 The other sections contain a wealth of additional information and pictures some of which has never been published before Many footnotes are provided to point out errors in the original material and to provide interesting additional information A publication of the Lake Erie Islands Historical Society the book contains 266 pictures and is fully indexed Keeping the book interesting to read while also allowing it to be a good reference work has been of high priority Many of the original pictures have been digitally cleaned up and enhanced and the material has been carefully selected to be enjoyable to browse or read carefully We believe that this is the most complete
