Lost Innocents A Follow Up Study Of Fatal Child Abuse:

Lost Innocents Peter Reder, Sylvia Duncan, 2013-12-19 Lost Innocents is a follow up to Beyond Blame Child Abuse Tragedies Revisited 1993 In their new book Peter Reder and Sylvia Duncan use the same process of case analysis and apply it to a more representative sample of cases They describe the theoretical basis and method of the study and its findings before going on to discuss their practical implications and their opinions about the case review process itself Finally the authors discuss whether child abuse fatalities can be predicted or prevented Trust, Risk and Uncertainty S. Watson, A. Moran, 2005-06-07 The themes trust risk and uncertainty seem especially pertinent in the context of the post 9 11 world This book brings together a range of new research with a focus on the risk society debate and on the themes of trust uncertainty and ambivalence Where much of the work within these crucial debates in the social sciences has been theory based and theory driven Trust Risk and Uncertainty combines theoretical sophistication with empirical analysis and research in the fields of philosophy education social policy government health and social care sociology and media and cultural studies

Developing Adoption Support and Therapy Barry Luckock, Angie Hart, 2004-07-20 This book explores the challenges of adoption and how best to support families coping with these demands Angie Hart and Barry Luckock draw together adoptive parents experiences professional practice and empirical research to provide an integrative account of adoption support services *Responses to Traumatized Children* A. Hosin, 2006-11-28 Written by professionals of multidisciplinary backgrounds this book provides stimulating and though provoking evidence based research across a comprehensive range of topics from problems of cultural sensitivity and resilience to the use of cognitive behavioural therapy and the prevention of secondary trauma among carers and healthcare providers Family Matters Peter Reder, Mike McClure, Anthony Jolley, 2005-08-19 Family Matters focuses on research and clinical material which bridges the traditional gap between child and adult mental health Rather than considering child and adult problems separately the authors address the often complex interactions between the two covering such topics as The implications of childhood trauma in later life The impact of parental mental health problems on children How interactions within a family can affect the mental health of all individuals within the family The authors review existing research and cover their own recent studies and practical experience and put forward new theoretical models to underpin their recommendations for changes in practice such as liaison initiatives between child and adult services and specialised services to treat adolescents parenting breakdown and perinatal psychiatric illness The findings and recommendations in Family Matters have have important implications for the organisation and funding of mental health and related services and staff training and should be read by all those in professions concerned with child and adult mental health including psychiatrists family therapists psychotherapists nurses health visitors and social workers and health service managers **Studies in the Assessment of Parenting** Peter Reder, Sylvia Duncan, Claire Lucey, 2004-06-02 Offers a review of the latest literature but moreover a practical guide essential to professionals who give their expert
