Packer,Donald Wiseman,2017-05-02 The Complete Topical Guide to the Bible provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it s an essential verse on the topic The topics in this resource include biblical doctrinal

and historical subjects and they are organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God s people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included

Dress and Clothing in the Hebrew Bible Antonios Finitsis, 2019-08-08 Built upon the flourishing study of costume this book analyses sartorial evidence provided both by texts of the ancient Near East and the Hebrew Bible The essays within lend clarity to the link between material and ideological examining the tradition of dress the different types of literature that reference the tradition of garments and the people for whom such literature was written The contributors explore sources that illuminate the social psychological aesthetic ideological and symbolic meanings of clothing The topics covered range from the relationship between clothing kingship and power to the symbolic significance of the high priestly regalia and the concept of garments as deception and defiance while also considering the tendency to omit or ignore descriptions of YHWH s clothing Following a historical sequence the essays cross reference with each other to create a milestone in biblical sartorial study
