classic novel of World War II dramatizes an entire generation's loss of innocence. When Thomas Skinner Galt leaves Greenwich Village to volunteer as an ambulance driver with the British Army, he anticipates the adventure of a lifetime. What he fails to understand is that no matter where he comes from or how many books he has read, once he dons a military uniform, his life will cease to be his own. Stationed first in the Middle East and then in Italy, Skinner and his fellow American volunteers Rod Freak and Benny endure boredom, fear, and the exquisite frustration of following orders. They seek solace in their friendship with one another and in the debauched diversions available to men during wartime. But as the days and nights drag on, Skinner begins to drift away from his comrades and from himself. Too late, he discovers that the path he has chosen leads only to tragedy. Inspired by Vance Bourjaily's experiences as an ambulance driver in the American Field Service and commissioned by legendary editor Maxwell Perkins, *The End of My Life* marked the arrival of a writer heralded by the *New York Times* as a Dostoevsky of the generation that came of age in World War II. Elegant, spare, and fiercely honest, this is a timeless portrait of the devastating effects of war on the human spirit.

Heart of the Storm Peggy L. Henderson, Adrian Storm has spent thirteen years far from the world of his birth, growing up among the people who took him in as a boy. Now a skilled warrior and hunter, he thrives in the rugged wilderness where survival is both a challenge and a way of life. When violence follows a group of outsiders into this untamed land, Adrian is thrust into a deadly conflict that stirs long-buried memories and reignites a thirst for vengeance he can no longer ignore. Tessa Beckett has never shied away from a challenge. As the daughter of one of the fur trade's most powerful men, she's spent her life showing she can hold her own in a male-dominated world. When an opportunity arises to prove herself, Tessa seizes the chance to cement her place in the family business. But danger lurks among rival fur companies, and trust is rare. Forced together by circumstances, neither can control. Adrian and Tessa must navigate the treacherous wilds while confronting their fears, loyalties, and desires. As tension ignites between them, the line between hate and attraction blurs. In the heart of the untamed wilderness, will the storm between them forge an unbreakable bond or destroy them both.

The Heart Stone of Avooblis Charles Streams, 2022-03-11 Dagdrón Earl Elloriana and Lita's adventure has finally led them to Avooblis's homeland. With nothing but lava as far as the eye can see, the adventurers set off on the perilous journey in search of the Heart Stone of Avooblis. Desolate terrain and ferocious creatures await them around every turn, and they discover ominous memory portals defended by mysterious guardians. As the adventurers face the terrifying past of the land where Avooblis came to be, they must face an unknown traitor, an entrancing humming, and a rumbling volcano. And on top of everything, each day that passes, they're haunted by the realization that even if they fulfill their quest, they might never be able to make it back to their own land before Avooblis destroys it like he did his own.
