Louis Agassiz as a Teacher Lane Cooper, 2015-06-25 Excerpt from *Louis Agassiz as a Teacher* Illustrative Extracts on His Method of Instruction If it be asked why a teacher of English should be moved to issue this book on Agassiz my reply might be Read the Introductory Note for the answer is there But doubtless the primary reason is that I have been taught and I try to teach others after a method in essence identical with that employed by the great naturalist And I might go on to show in some detail that a doctoral investigation in the humanities when the subject is well chosen serves the same purpose in the education of a student of language and literature as the independent intensive study of a living or a fossil animal when prescribed by Agassiz to a beginner in natural science But there is no need to elaborate the point About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally

Louis Agassiz As A Teacher Lane Cooper,2004-06 I was to keep the fish before me in a tin tray and occasionally moisten the surface with alcohol from the jar always taking care to replace the stopper tightly Those were not the days of ground glass stoppers and elegantly shaped exhibition jars all the old students will recall the huge neckless glass bottles with their leaky wax besmeared corks half eaten by insects and begrimed with cellar dust Entomology was a cleaner science than ichthyology but the example of the Professor who had unhesitatingly plunged to the bottom of the jar to produce the fish was infectious and though this alcohol had a very ancient and fishlike smell I really dared not show any aversion within these sacred precincts and treated the alcohol as though it were pure water
