**Picturing Thoreau** Mark W. Sullivan,2015-01-14 As we approach the bicentennial in 2017 of the birth of Henry David Thoreau there is considerable debate and confusion as to what he may or may not have contributed to American life and culture Almost every American has heard of Thoreau but only a few are aware that he was deeply engaged with most of the important issues of his day from slavery to Manifest Destiny and the rights of the individual in a democratic society Many of these issues are still affecting us today as we move toward the second quarter of the twenty first century By studying how various American artists have chosen to portray Thoreau over the years since the publication of *Walden* in 1854 we can gain a clear understanding of how he has been interpreted or misinterpreted throughout the years since his death in 1862 But along the way we might also find something useful for our times in the insights that Thoreau gained as he wrestled with the most urgent problems being experienced by American society in his day

**The Forgotten Alcott** Azelina Flint, Lauren Hehmeyer, 2021-12-30 This collection is the first academic study of the captivating life and career of expatriate artist writer and activist May Alcott Nieriker Nieriker is known as the sister of Louisa May Alcott and model for Amy March in Alcott's Little Women As this book reveals she was much more than Amy she had a more significant impact on the Concord community than her sister and later became part of the creative expat community in Europe There she imbued her painting with the abolitionist activism she was exposed to in childhood and pursued an ideal of artistic genius that opposed her sister's vision of self sacrifice Embarking on a career that took her across London Paris and Rome Nieriker won the acclaim of John Ruskin and forged a network of expatriate female painters who changed the face of nineteenth century art creating opportunities for women that lasted well into the twentieth century A Renaissance woman Nieriker was a travel writer

teacher and curator She is recovered here as a transdisciplinary subject who stands between disciplines networks and ideologies striving to recognize the dignity of others Contributors include foundational Alcott scholar Daniel Shealy and Pulitzer Prize winner John Matteson as well as Curators Jan Turnquist Orchard House and Amanda Burdan Brandywine River Museum of Art In this book readers will become acquainted with a dynamic feminist thinker who transforms our understanding of the place of women artists in the wider cultural and intellectual life of nineteenth century Britain France and the United States
