comedic persona Browning suffered from mastoiditis a devastating physical ailment that robbed him of his hearing deprived him of an education eroded his professional skills and led to his heavy dependence on alcohol Accounts of Browning s unconventional behavior were bolstered by his own outlandish storytelling These stories were embellished by newspapers of the time making him a legend Tim Newby addresses the myths surrounding the larger than life figure uncovers the thin line between fact and fiction and presents an extensive account of Browning the man and legendary ball player **The Baseball Bat** Stephen M.
