Louvre Sphinx And Royal Sculpture From The Reign Of Amenemhat II:

The Louvre Sphinx and Royal Sculpture from the Reign of Amenemhat II Biri Fay, 1996 **A History of Ancient Egypt Volume 2** John Romer, 2017-03-07 Another solid work of history from an author and historian who truly grasps the mysteries of ancient Egypt Kirkus Reviews Drawing on a lifetime of research John Romer chronicles the history of Ancient Egypt from the building of the Great Pyramid through the rise and fall of the Middle Kingdom a peak of Pharaonic culture and the period when writing first flourished Through extensive research over many decades of work reveals how the grand narratives of 19th and 20th century Egyptologists have misled us by portraying a culture of cruel monarchs and chronic war Instead based in part on discoveries of the past two decades this extraordinary account shows what we can really learn from the remaining architecture objects and writing a history based on physical reality **The Sphinx Mystery** Robert Temple, 2009-01-20 A book that verifies the existence of secret underground chambers beneath the Sphinx and demonstrates its origins as the Egyptian god of the dead Anubis Includes an anthology of eyewitness accounts from early travelers who explored the secret chambers before they were sealed in 1926 Reveals that the Sphinx was originally carved as a monumental crouching Anubis the Egyptian jackal god of the necropolis Shrouded in mystery for centuries the Sphinx of Giza has frustrated many who have attempted to discover its original purpose Accounts exist of the Sphinx as an oracle as a king's burial chamber and as a temple for initiation into the Hermetic Mysteries Egyptologists have argued for decades about whether there are secret chambers underneath the Sphinx why the head to body ratio is out of proportion and whose face adorns it In *The Sphinx Mystery* Robert Temple addresses the many mysteries of the Sphinx He presents eyewitness accounts published over a period of 281 years of people who saw the secret chambers and even went inside them before they were sealed in 1926 accounts that had been forgotten until the author rediscovered them He also describes his own exploration of a tunnel at the rear of the Sphinx perhaps used for obtaining sacred divinatory dreams Robert Temple reveals that the Sphinx was originally a monumental Anubis the Egyptian jackal god and that its face is that of a Middle Kingdom Pharaoh Amenemhet II which was a later re-carving In addition he provides photographic evidence of ancient sluice gate traces to demonstrate that during the Old Kingdom the Sphinx as Anubis sat surrounded by a moat filled with water called Jackal Lake in the ancient Pyramid Texts where religious ceremonies were held He also provides evidence that the exact size and position of the Sphinx were geometrically determined in relation to the pyramids of Cheops and Chephren and that it was part of a pharaonic resurrection cult [Ancient Egyptian Portraiture](#) Alessio Delli Castelli, 2024-12-09 *Ancient Egyptian Portraiture* History of an Idea concerns the origin nature and removal the unravelling and explanation of the impasse pertaining to the definition assessment and judgement of Ancient Egyptian portraiture Condensed in the syntagm different from ours this impasse arises from the polarisation and dichotomy of idealism and realism which characterise the three main Egyptological definitions of portraiture In offering a transcendental definition of art and portraiture that is anthropologically valid the

overarching aim of this book is to challenge assessments of Egyptian art and portraiture based on historically particularistic concepts that are foreign to its cultural premises and development

Mistress of the House, Mistress of Heaven Anne K. Capel, Glenn Markoe, 1996 The first of its kind exhibit cataloged here focuses on the women of Egypt from all levels of society in works compiled strictly from American collections by American curators Because the quantity of written records is limited though enormous in comparison to most early societies there is still much guesswork involved in determining the place women held in Egyptian society It is clear that unlike most ancient and not so ancient societies Egypt conferred on women the legal right to own property and to barter their own goods which means a larger record for current study The essays here are both erudite and fascinating to read the illustrations are clear and well presented in conjunction with the text 117 colour 112 b w illustrations

Women in Ancient Egypt Mariam F. Ayad, 2022-11-15 Cutting edge research by twenty four international scholars on female power agency health and literacy in ancient Egypt There has been considerable scholarship in the last fifty years on the role of ancient Egyptian women in society With their ability to work outside the home inherit and dispense of property initiate divorce testify in court and serve in local government Egyptian women exercised more legal rights and economic independence than their counterparts throughout antiquity Yet their agency and autonomy are often downplayed undermined or outright ignored In *Women in Ancient Egypt* twenty four international scholars offer a corrective to this view by presenting the latest cutting edge research on women and gender in ancient Egypt Covering the entirety of Egyptian history from earliest times to Late Antiquity this volume commences with a thorough study of the earliest written evidence of Egyptian women both royal and non royal before moving on to chapters that deal with various aspects of Egyptian queens followed by studies on the legal status and economic roles of non royal women and finally on women s health and body adornment Within this sweeping

chronological range each study is intensely focused on the evidence recovered from a particular site or a specific time period Rather than following a strictly chronological arrangement the thematic organization of chapters enables readers to discern diachronic patterns of continuity and change within each group of women

Sesostris - Scheschonq - Sesonchosis, 2024-07-29 Why Sesostris Why does the classical antiquity tell stories about this Egyptian hero king of the second millennium BC On which basis The contributions of this conference volume try to systematically answer the question how these narratives come into being and grow It is not a single historical king Sesostris Rather the literary tradition of two millennia augments the story with the later Sheshonq kings makes Sesostris the international hero of demotic narratives and finally leads to the Greek Sesonchosis Romance which itself is widely received All this takes place in an international cultural context Warum gerade Sesostris Warum werden ausgerechnet bei diesen ägyptischen Königen des frühen zweiten Jahrtausends v. Chr. in der klassischen Antike Heldengeschichten erzählt Auf welcher Grundlage Die Beiträge dieses Tagungsbandes gehen systematisch der Frage nach wie diese Erzählungen entstehen und wachsen Es ist nicht ein einziger literarischer Königs Sesostris Vielmehr reichert die literarische Tradition bei zwei Jahrtausenden den Stoff um die späteren Scheschonq Könige an macht Sesostris zu einem internationalen Helden demotischer Erzählungen und führt zum griechischen Sesonchosis Roman All dies geschieht in einem internationalen kulturellen Rahmen

The forty-two articles deal with topics of art history, archaeology, history, and philology, representing virtually the entire span of ancient Egyptian civilization. These diverse studies, which often present unpublished material or new interpretations of specific issues in Egyptian history, literature, and art history, well reflect the broad research interests of the honoree. Abundantly illustrated with photographs and line drawings, the volume also includes a comprehensive bibliography of Bryan's publications through 2015. Architecture, Astronomy and Sacred Landscape in Ancient Egypt

Giulio Magli, 2013-07-22 Most of the wonders of our ancient past have come down to us unencumbered by written information. In particular, this is the case of the Great Pyramid of Giza and of many other ancient Egyptian monuments. However, there is no doubt as to the interest of their builders in the celestial cycles: the cosmic order was indeed the true basis of the pharaoh's power. This book takes the reader on a chronological journey through ancient Egypt to explore the relationship between astronomy, landscape, and power during the most flourishing periods of ancient Egyptian civilization. Using the lens of archaeoastronomy, Giulio Magli reexamines the key monuments and turning points of Egyptian architecture and history, such as the solar deification of King Khufu, builder of the Great Pyramid, the Hatshepsut reign, and the Amarna revolution.

Visualizing Coregency Lisa Saladino Haney, 2020-03-31 In *Visualizing Coregency*, Lisa Saladino Haney explores the practice of co-rule during Egypt's 12th Dynasty and the role of royal statuary in expressing the dynamics of shared power. Though many have discussed coregencies, few have examined how such a concept was expressed visually. Haney presents both a comprehensive accounting of the evidence for coregency during the 12th Dynasty and a detailed analysis of the full corpus of royal statuary attributed to Senwosret III and Amenemhet III. This study demonstrates that by the reign of Senwosret III, the central government had developed a wide-ranging visual, textual, and religious program that included a number of distinctive portrait types designed to convey the central political and cultural messages of the dynasty.

Although the emphasis is on the religion of Ancient Egypt, the book covers a wide range of subjects, including history and archaeology, philology, and linguistics.
