

“In the West we have a tendency to be profit-oriented, where everything is measured according to the results and we get caught up in being more and more active to generate results. In the East - especially in India - I find that people are more content to just be, to just sit around under a banyan tree for half a day chatting to each other. We Westerners would probably call that wasting time. But there is value to it. Being with someone, listening without a clock and without anticipation of results, teaches us about love. The success of love is in the loving - it is not in the result of loving.”

Attending to the Wounds on Christ's Body Elizabeth Newman, 2013-02-28 The disunity of the church is a social and theological scandal for it betrays the prayer of Jesus that we will be one so that the world will believe John 17 21 As a Baptist whose academic background focused on the Orthodox Church and whose teaching has included Catholic and Protestant contexts this division is for Elizabeth Newman personal and professional Attending to the Wounds on Christ's Body rests on the conviction that the broad tradition of Christianity already contains resources to heal the church namely the saints of the church Newman examines especially how Teresa of Avila 1515 1582 speaks to the whole church today in the midst of political economic and ecclesial brokenness Teresa's reliance upon three scriptural figures dwellings marriage and pilgrimage helps make sense of an ecclesial way of life that is inherently unitive a unity that stands in contrast to that of the nation state or the global market Teresa's scriptural journey offers an alternative at once liturgical political and economic This Doctor of the Church provides

A Spiritual Portrait of a Believer Chet Cataldo,2010-02-19 The focus of this study is to discover the identity of the emphatic I of Rom 7 with the added purpose of attempting to draw a spiritual portrait of a mature Christian believer To accomplish this purpose the process is as follows An examination of Rom 7 within its context is conducted This examination is followed by an attempt at determining the experience of the emphatic I found within Rom 7 The next step in the process is to compare the experience of the emphatic I of Rom 7 as found within its context of Rom 1 8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers The purpose of this comparison is to discover if Paul had a consistent portrait of spirituality and Christian maturity The final step is to compare the experience described by Paul both in Rom 7 and in the wider Pauline Corpus with the experience which John Wesley called perfection and with the Mystical experience called the spiritual marriage The study of Romans Wesley and the Mystics coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God the more this Christian believer is aware of his or her own sinfulness Paul in describing the experience of the emphatic I is describing a person who is becoming more and more aware of his or her own sinfulness The conclusion to be drawn from this study is that the identity of the empathic I is of a regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin

confirms Anthony Hecht's reputation as one of our most original and imaginative thinkers on the literary arts **Passions of Our Time** Julia Kristeva, 2025-03-04 Julia Kristeva is a true polymath, an intellectual of astonishingly wide range whose erudition and insight have been brought to bear on psychoanalysis, literary criticism, gender and sex, and cultural critique. *Passions of Our Time* showcases recent essays of Kristeva's that demonstrate the scope of her capacious intellect, her gifts as a stylist, and the profound contribution of her thought to the challenges of the present. The collection begins with vivid recollection of celebrating as a child in Bulgaria, Alphabet Day, the holiday honoring the Cyrillic letters, which proceeds outward into a contemplation of the writer as translator. Kristeva considers literature with Barthes, freedom through Rousseau, Teresa of Avila, and mystical experience. Simone de Beauvoir's dream life and Antigone and the psychic life of women. A group of essays drawing on her psychoanalytic work delve into Freud, Lacan, maternal eroticism, and the continued importance of psychoanalysis today. In a series of striking investigations, she thinks through disability and normativity, monotheism and secularization, the need to believe and the desire to know. Calling for the courage to renew and reinvent humanism, she outlines the principles of a stance founded on the importance of respecting human life. Finally, Kristeva discusses French culture and diversity, rethinking universalism and interrogating the potential for Islam and psychoanalysis to meet, and pays homage to Beauvoir by rephrasing her dictum into the provocative: One is born woman, but I become one.

Becoming Religious, 1999 *Becoming Religious: Understanding Devotion to the Unseen* presents the lives of fourteen contemporary South Georgians who, in the manner of religious believers around the world, devote themselves to supernatural powers and goals. The book is a contemporary treatment of the classical question raised by F. Max Müller in 1882: Why we believe, why we are conscious of things which we can neither perceive with our senses nor conceive with our reason. People everywhere are religious. Müller noted, and wherever there is religion, the question whence it came cannot be long suppressed.

The Science and Theology of Godly Love Matthew T. Lee, Amos Yong, 2012-06-15 Arguing that there are ways to move beyond the limitations of methodological atheism without compromising scientific objectivity, the essays gathered in *The Science and Theology of Godly Love* explore the potential for collaboration between social science and theology. They do so within the context of the interdisciplinary study of Godly Love, which examines the perceived experience of loving God, being loved by God, and thereby being motivated to engage in selfless service to others. This volume serves as an introduction to, and a call for further research in, this new field of study, offering ten methodological perspectives on the study of Godly Love, written by leading social scientists and theologians. Drawing on the work of Douglas Porpora and others, the contributors contend that agnosticism is the appropriate methodological stance when religious experience is under the microscope. Godly Love does not force a theistic explanation on data; instead, these essays show that it sensitizes researchers so that they can take seriously the faith and beliefs of those they study without the assumption that these theologies represent an incontestable truth. *The Last Years of Saint Thérèse* Thomas R. Nevin, 2013-06-14 For over a century, the Carmelite Sister

Th r se of the Child Jesus and the Holy Face 1873 1897 has been revered as Catholicism s foremost folk saint of modern times Universally known as the Little Flower she has been a source of consolation and uplift an example of everyday sainthood by the Little Way This book puts aside that piety and addresses the torment of doubt within the life and writing of a saint best known for the strength of her conviction Nevin examines the dynamics of Christian doubt and argues that it is integral to the journey toward selfless love which Th r se was compelled to take What Nevin asks did doubt mean to her What was its source and nature What was its object He gives close attention to her reading and interpretations of the Old and New Testaments as pathways through her inner wilderness Her Carmel of spiritual sisters becomes a vivid setting for this drama with other women challenging Th r se by their own trials of faith One of Th r se s indispensable lessons Nevin concludes is the acceptance of one s helplessness in the midst of spiritual darkness Bringing a new direction to the study of Th r se and of the challenges of sainthood itself this book reveals how Th r se s response to divine abandonment is a unique and painfully won imitation of Christ

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother s heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa s presentation of traditional spiritual themes likewise

relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

Sensible Ecstasy Amy Hollywood, 2002 Sensible Ecstasy investigates the attraction to excessive forms of mysticism among twentieth century French intellectuals and demonstrates the work that the figure of the mystic does for these thinkers With special attention to Georges Bataille Simone de Beauvoir Jacques Lacan and Luce Irigaray Amy Hollywood asks why resolutely secular even anti Christian intellectuals are drawn to affective bodily and widely denigrated forms of mysticism What is particular to these thinkers Hollywood reveals is their attention to forms of mysticism associated with women They regard mystics such as Angela of Foligno Hadewijch and Teresa of Avila not as emotionally excessive or escapist but as unique in their ability to think outside of the restrictive oppositions that continue to afflict our understanding of subjectivity the body and sexual difference Mystics such as these like their twentieth century descendants bridge the gaps between action and contemplation emotion and reason and body and soul offering new ways of thinking about language and the limits of representation

The Way of Prayer Father Gabriel of St. Mary Magdalen, O.C.D., 2017-02-02 This acclaimed commentary on Saint Teresa of Avila's classic work Way of Perfection discusses the various forms of Christian prayer with an emphasis on Teresa's meditation on the Our Father The author a renowned expert on Carmelite spirituality includes many quotations from Saint Teresa and Saint John of the Cross which have been conformed to the most current authorized translations Teresa of Avila reformed the Carmelite order in the sixteenth century Seeing Teresa in deep prayer her first companions asked her to teach them how to pray The apostles made the same request of Jesus Teach us to pray Jesus answered by teaching the Our Father Teresa responded to her sisters by writing Way of Perfection which contains an extended commentary upon the Lord's Prayer As Jesus did in his Sermon on the Mount Teresa in her Way of Perfection first teaches the necessary dispositions for prayer before teaching the different kinds of prayer Named a Doctor of the Church by Pope Paul VI in 1970 Teresa united not only prayer and the apostolate but contemplation and the apostolate for contemplation is a particular kind of prayer that tends toward the most sublime intimacy with our Lord

It is the Spirit Who Gives Life Radu Bordeianu, 2022-04-22 Who is the Holy Spirit What is the Holy Spirit The answers to these questions were so obvious in the first centuries of Christian history that the New Testament and the earliest Christian writers did not feel the need to deliberately address the identity of the Spirit The more stringent question was this what does the Spirit do in the Hebrew Scriptures in the life of Jesus in the community of disciples in the Church and in the world These same questions however did not have the same obvious answers to subsequent generations Writing in the fourth century Gregory of Nazianzus observed a slow progress of better understanding the identity and mission of the Holy Spirit throughout the centuries his opponents still referred to the Spirit as a strange unscriptural and interpolated God Or 31 One

would expect that today centuries later pneumatology would be exponentially further developed than in the patristic era And yet contemporary theology only rarely asks who the Spirit is and what the Spirit does That is where the present volume attempts to bring a contribution by addressing early Pneumatologies reflected in the Scriptures and the age of the martyrs historical developments in patristic literature and spiritual writings and contemporary pneumatological themes as they relate to ecumenism ecology science ecclesiology and missions The present volume gathers essays authored by eleven world renowned theologians Each contribution originated as a public lecture addressed to theologians and an educated general audience followed by a private colloquium in which the lecturers conferred with scholars who are experts in the field Thus the present volume offers a multifaceted approach to Pneumatology in an ecumenical spirit *Carnal Hermeneutics* Richard Kearney, Brian Treanor, 2015-09-01 Building on a hermeneutic tradition in which accounts of carnal embodiment are overlooked misunderstood or underdeveloped this work initiates a new field of study and concern *Carnal Hermeneutics* provides a philosophical approach to the body as interpretation Transcending the traditional dualism of rational understanding and embodied sensibility the volume argues that our most carnal sensations are already interpretations Because interpretation truly goes all the way down carnal hermeneutics rejects the opposition of language to sensibility word to flesh text to body In this volume an impressive array of today's preeminent philosophers seek to interpret the surplus of meaning that arises from our carnal embodiment its role in our experience and understanding and its engagement with the wider world Love, a Fruit Always in Season Mother Teresa, 1987 Inspirational passages taken from the writings and speeches of Mother Teresa are arranged according to the days of the church year The Blessed Virgin Mary in England Vol. 1 Brother Anthony Josemaria Fti, 2008-11 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033-1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary's dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria
