Love And A Promise:

Love's Promises Martha M. Ertman, 2016-05-24 Blends memoir and legal cases to show how contracts can create family relationships Most people think of love and contracts as strange bedfellows or even opposites In *Love's Promises* however law professor Martha Ertman shows that far from cold and calculating contracts shape and sustain families Blending memoir and law Ertman delves into the legal cases anecdotes and history of family law to show that love comes in different packages each shaped by different contracts and mini contracts she calls deals Family law should and often does recognize that variety because legal rules like relationships aren't one size fits all The most common form of family which Ertman calls Plan A come into being through different kinds of agreements than the more uncommon families that she dubs Plan B Recognizing the contractual core of all families shows that Plan B is neither unnatural nor unworthy of legal recognition just different After telling her own moving and often irreverent story about becoming part of a Plan B family of two moms and a dad raising a child Ertman shows that all kinds of people straight and gay married and single related by adoption or by genetics use contracts to shape their relationships As couples navigate marriage reproductive technologies adoption and cohabitation they encounter contracts Sometimes hidden and other times openly acknowledged these contracts ensure that the people they think of as family are legally recognized as family in the eyes of the law Family exchanges can be substantial like vows of fidelity or small like I cook and you clean But regardless of scope the agreements shape the emotional social and financial terrain of family relationships Seeing the instrumental role contracts will help readers better understand how contracts and deals work in their own families as well as those around them Both insightful and paradigm shifting *Love's Promises* lets readers in on the power of contracts and deals to support love in its many forms and to honor the different ways that our nearest and dearest contribute to our daily lives

Attraction Is a Feeling. Love Is a Promise. Grenville W. Phillips, II, 2013-05 Marriage can be a satisfying and exciting life journey for a man and a woman who love each other However the significant number of divorced and separated persons indicates that there is a fundamental problem with their marriage preparation The dreaded phrases I just don't love you anymore and where has the love gone are common among those who mistook their intense feelings of attraction as love Attraction is not love Attraction is an emotional force that we can feel while love is a promise to do four progressively challenging things The couple who is ready to make and keep their promises of love is ready to get married Spouses of those with no intention of keeping these promises are destined to endure a life sentence of misery This book is written specifically to help men to understand if they are ready to keep the promises of love

work or to learn what to do when a relationship is in crisis If you feel trapped by a bad commitment and wonder if you can experience grace and a new beginning Best selling author Lewis Smedes offers insights that will profoundly affect the way you interact with and relate to others Find out what you and those you love can gain from committed relationships discover how to cope when someone close to you breaks your trust and determine which if any relationships should continue forever as well as how you can make these relationships last in *Learning to Live the Love We Promise* Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard's *Works of Love* 1847 a series of deliberations on the commandment to love one's neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate *Works of Love* as one of Kierkegaard's most important works He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that *Works of Love* bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation *Love Is...* Bishop J. Running Luce Joanne Togati, 2013-01-09 Violette Giordano is a young ballet dancer of Italian heritage living in New York City with everything to look forward to but her estranged relationship with her father and near non-existent relationship with her mother have taken a toll on her productivity and all of the relationships in her life Struggling to find the meaning of her own existence she learns to create a new life for herself without the familiarity of the classical world she has come from where palaces and ancient cathedrals had made up the landscape of her childhood The only world she knows with all of its pains and illusions is beginning to shatter As Violette feels the floor beneath her slipping she confronts the very demons she will have to face if she ever wants to know true success all the while learning the hardest lesson of all for herself that of self love For those who loved Black Swan the film but wished there was a better story to follow

Running Luce will satisfy that wish Peter Mansfield Publisher of New You Magazine [The Fairy's Dance](#) Piere Kimbrough, 2024-09-20 The Fairy's Dance is an enchanting and tender collection of tales that unfolds in a world where the ethereal beauty of fairy magic intertwines with the grounded sincerity of human hearts At its core is the captivating Elara a fairy or elf deeply connected to their realm whose journey through moonlit glades and star-dusted meadows reveals that the most profound connections are often forged in quiet moments and understanding glances From her initial encounter with Sir Gideon a knight burdened by sorrow yet shielded by a magical artifact that holds memories of joy to a whimsical challenge in a moonlit glade where she meets the intense Ronan Elara's path is one of delicate discovery She learns that true strength isn't found in grand displays of power but in the subtle art of empathy and the courage to offer a gentle honest gesture Whether it's weaving starlight to mend a broken heart or sharing a silent profound understanding with a human soul Elara's magic is one of connection The book delves into profound themes of healing compassion and the unexpected blossoming of love between disparate worlds It explores how joy can be rediscovered even in the face of despair and how a romance can bloom not with thunderous echoes but with a soft heart stopping melody only two souls can hear The Fairy's Dance is a lyrical and evocative odyssey that celebrates the beauty of unseen magic the depth of hidden emotions and the transformative power of a love that is as gentle as falling dew and as enduring as the ancient woods themselves proving that the most magical dances are those performed by two hearts in perfect unspoken harmony
