

A photograph of a dirt path leading through a forest. The path is light brown and leads towards a bright opening in the trees. The trees on either side have autumn-colored foliage in shades of orange, yellow, and red. Some evergreen trees are visible in the background. The overall lighting is soft and natural.

Freedom and love go together. Love is not a reaction. If I love you because you love me, that is mere trade, a thing to be bought in the market; it is not love. To love is not to ask anything in return, not even to feel that you are giving something- and it is only such love that can know freedom.
