**To Be Continued** Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued Second Edition* maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others.

**These Golden Days** Robert Funderburk, 1995. Book 2 in *The Innocent Years*. Catherine and Lane Temple have held their marriage together, but will they be able to handle their daughter Jessie's fight for independence and her newfound life in Hollywood. *American Book Publishing Record*, 2005.

**Lord, I Love You! Homilies Through the Liturgical Year** Pope Benedict XVI, 2005-03-07. Pope Benedict XVI was known for his brilliant mind, but he also had a heart in love with the Lord. In this careful selection from his papal homilies, readers can not only learn from his encyclopedic knowledge of the Christian tradition but grow in their own love for God as they journey with Benedict through the seasons and feasts of the liturgical year. *Lord I Love You Volume 1* includes the holiest days of Lent and Easter as well as other important solemnities such as Trinity Sunday and Corpus Christi, making it an excellent choice for spiritual reading and a great Lenten gift idea for those who appreciated the late pope's message of the centrality of Christ and the reliability of the Catholic tradition. Pope Benedict was not a charismatic preacher in the mold of his predecessor John Paul II, but the texts themselves are gems of Christian exhortation and reflection that are best appreciated on one's knees in a chapel or held in one's hands in a quiet place in one's home that is in a book like this and not scrolling through a website. For scholars and students of the late pope, the collection also provides a helpful distillation of his main themes and principal concerns into short, easily digestible pieces. The editor Fr. Pietro Rossotti uses the official Vatican translation with only minor spelling modifications and added footnotes with bibliographical references whenever possible.
