Do Ask, Do Tell Bill Boushka,2000 The original Bill of Rights sponsored largely by James Madison is now about 210 years old Reinforced by the Fourteenth Amendment which eventually applied many of its provisions to the states it has served us well It is time to re evaluate our fundamental constitutional rights and to seriously consider their major renovation This is my central proposal Are we ready to trust ourselves as individuals with the personal responsibilities that go with rights When government defines personal moral values we tend to take less account for not only our own actions but also our own underlying values for those spiritual yearnings that make us all unique people who we are We tend to lose interest in speaking for ourselves and tend to leave moral judgments to experts who get paid to pass judgment on all of us I discuss a philosophy often called libertarianism of extremely restricted government I present it from the personal perspective of a gay man who grew up in a period of enormous change and migration toward cultural individualism My argument is intended for everyone but I provide my own detailed perspectives on many issues The parallel between draft deferments during the Vietnam era and the gays in the military battle today How close the gay community as we know it came to total catastrophe during the early days of AIDS crisis What the family values debate is really all about Volunteerism and social obligations and how both military service and parenting fit into these What discrimination is really all about How the Don t Tell mentality interferes with political and social debate in many areas Why equal rights for gays is important for everybody A science of personal growth and why libertarianism is good for personal growth *Eros and the Shattering Gaze* Kenneth A. Kimmel,2011 This timely and innovative expose by contemporary Jungian psychoanalyst Ken Kimmel reveals a culturally and historically embedded narcissism underlying men s endlessly driven romantic projections and erotic fantasies that has appropriated their understanding of what love is Men enveloped in narcissism fear their interiority and all relationships with emotional depth that prove too overwhelming and penetrating to bear so much so that the other must either be colonized or devalued This wide ranging work offers them hope for transcendence Explores Transcendence of Narcissism in Romance Men s Capacity to Love Kabbalistic Mysticism Post modern Philosophy Contemporary Trends in Psychoanalysis Current
