Love And Terror:

Love and Terror William Herrick, 1982-02 Now available as a New Directions paperback Love and Terror William Herrick's second novel with ND both reflects and anticipates today's headlines Terrorist kidnappings hijackings and dramatic rescues all form a part of the plot but Herrick's interest lies less in tension filled heroics than in the human cost of flawed idealism Through the notebook of the principal terrorist Viktor X the complex characters of Viktor and Gabriele for whom love and terrorism are intertwined and inseparable are revealed And in a series of interviews with a nameless reporter the lives of three disillusioned revolutionaries the old ones now hostages to a new brand of revolution gradually and movingly unfold In his earlier *Shadows and Wolves* New Directions 1980 Herrick showed us the possibility of human solutions that transcend politics In *Love and Terror* he shows us why any ideology inflexibly adhered to makes such solutions necessary

Another Love Asma Abbas, 2018-10-15 In a time when our loves feel conscripted and exhausted by what we often do not remember desiring *Another Love* A Politics of the Unrequited explores the form method imperatives and inflections of love in the global post colony and offers a way to re apprehend and re inscribe love in an anticolonial materialist and nonfascist politics and aesthetics The figure of the unrequited is invoked as a symptom of a brutally loveless yet effusively sentimentalized era and also as an ineluctable yet very concrete political location in the face of both the intensifying external realities of war occupation apartheid austerity and terror as well as the increasingly normalized internalizations of ordinary imperialism nationalism neoliberalism fascism and colonialism all of which seem bent on extinguishing the possibility of relation itself The book asks that we look at practices of love and other material labors that yield and sustain these realities within complex lifeworlds indeed those which sustain entire systems of our subjection extraction and disposability such as colonialism capitalism liberalism and fascism as lifeworlds especially when given dominant forms of recognition affection embrace and belonging are unacceptable or even repulsive Distancing itself from shortcuts afforded by love's abstract forms deployed in ethical and moral discourses that at once elevate it yet wholly reduce it to a timeless apolitical essence *Another Love* sees love as a material and political relation to time and space signaling willed and unwilled shifts in historical reality in societies juggling various wars and annihilations It maintains that love is something in and with which we confess our complicities not only with but also against hegemonic notions of belonging devotion martyrdom hospitality publicity collectivity and solidarity nurtured and harvested under capital and colony The longing and the love missed by the pernicious and reactionary politics both of liberal democracy and the incidental fascisms that it claims to set out to fix can give us clues into past present and future moments of rebellion resistance rejection and redemption that are crucial to a liberatory anticolonial and antifascist politic and to rethinking attachment desire and relation itself

Love and Adventure William Stephens Hayward,1874 **Faith, Hope, Love, and Justice** Anselm K. Min,2018-03-28 Faith hope and love traditionally called theological virtues are central to Christianity This book renews faith hope and love in the context of the many contemporary challenges in many unique ways It is an ecumenical collection of papers equally divided between Catholic and Protestant positions that seek to radically renew the classical doctrine of faith hope and love and argues for their essential connection to the praxis of justice It contains eight different approaches each represented by a distinguished theologian and addressing different aspects of the issues and followed by insightful and critical responses It does not merely seek to renew the theological virtues but to also reconstruct them in the demanding context of justice and the contemporary world nor is it simply a treatise on justice but a theoretical and practical reflection on justice as vital expressions of faith in God hope in God and love of God A non dogmatic and non ideological approach it accommodates both conservative and liberal positions and avoids the separation of the theological virtues from the demands of the contemporary world as well as the separation of justice talk from the theological context of faith hope and love It seeks above all to renew not merely repeat the classical doctrine of faith hope and love in the contemporary context of the urgency of justice and to do so ecumenically comprehensively and from a variety of perspectives and aspects Straussophobia Peter
