Love And The Abyss:

Everlasting Love With The Ghost King Yue Bai, 2019-12-09 This was not a peaceful world like it seemed to be on the surface In this city there were some things that ordinary people could not see These things did not belong to the human world but they existed in this world Li Ling er was an ordinary employee of the company Recently something unimaginable had happened to her And the story in such a world in the haunted building where the female lead works starts **The Circle of Love** Llewellyn Vaughan-Lee, 1999-03-18 The circle of divine love is always present within the heart The journey of the mystic is to retrace this circle and so experience the oneness that is hidden within us In *The Circle of Love* Llewellyn Vaughan Lee continues his work of providing a contemporary understanding of Sufism drawing us into this mystery of the soul He describes the way of mystical prayer and of listening with the heart He offers valuable insight into power and the spiritual life how to use one's power to break free of restrictions and live the joy of one's divine nature He explores the primordial question of why we so easily forget our origin in God Finally *The Circle of Love* takes us deep into the mystical secret of being lost in God to the center of the circle where the lover merges into the Beloved and the heart's deepest truth is revealed Vaughan Lee calls us back to the circle of love where nothing is excluded *Spirituality Practice* **Love and the Abyss** Ralph D. Ellis, 2004 Ellis philosophy Claark Atlanta U describes a number of different kinds of abnormalities that result from the detrimental effects of narcissism on the ability to love Developing the notion of a culture of narcissism first proposed by Christopher Lasch he presents a theory of the role played by love in human attempts to grapple with ontological *The Silent God and the Silenced* Min-Ah Cho, 2025 By exploring silence as more than just the mere absence of sound scholars have addressed silence as a means through which one genuinely listens to Dasein Heidegger as an antidote to a reactive volatile and opinion slinging culture Susan Sontag or as a communication alternative to the violent and turbulent rhetoric of the dominant narrative Commonly recognized in these studies is the spiritual and mystical dimension of silence that transcends the rational and the comprehensible This book begins where these theories leave off arguing that ultimate silence arises from Christian mystical tradition and theology The book particularly engages with Michel de Certeau's exploration of the empty tomb metaphor Evagrius Ponticus writings on hesychasm Søren Kierkegaard's reflections Jean Luc Nancy's notion of divine place and Sarah Coakley's prayerful vulnerability The book also puts ultimate silence into conversation with writers and artists namely Mary Oliver Simone Weil Susan Sontag and the poet and performance artist Theresa Hak Kyung Cha The book establishes a theory that makes the spiritual tradition of silence available for its practice in our everyday life grounded in the inexhaustible mystery of the spiritual With a deeper theological understanding of contemplation that transcends the rational the practice of silence in everyday life facilitates engagement between listener and speaker that allows both parties to deepen the relationship Provided by publisher **Religious Experience and Contemporary Theological Epistemology** Lieven Boeve, Yves De Maeseneer, Stijn Van den Bossche, 2005 In this volume we present the proceedings from the fourth

The Life of Blessed Margaret Mary George Tickell,1869 **Cross Purposes** Anthony Bartlett,2018-09-20 This seminal study of the Christian theory of the atonement examines the story of Christian violence In Cross Purposes Anthony Bartlett claims that the key Western doctrines of atonement have been dominated by a logic of violence and sacrifice as a means of salvation Subsequently the graphic suffering of the crucified in images and narrative has served to unleash a prolonged sacrificial crisis in which there is always a potential need to displace blame These doctrines of atonement have sanctioned wide spread violence in the name of Christ throughout history But Bartlett argues that a minority tradition also exists He contends that the tradition of the compassion of Christ provides the possible way out of Christian violence Bartlett s study gives this tradition a dynamic new reading showing how it undoes both divine and human violence and offers a powerfully transformative version of atonement for the contemporary world Cross Purposes provides a rich historical and theological overview of the evolution of various atonement theories using literature art and philosophy to provide a creative and provocative reading of Christian atonement Anthony Bartlett is engaged in post doctoral research and is an instructor in Religion at Syracuse University For Seminarians clergy graduate students professors **The Insurmountable Darkness of Love** Douglas E. Christie,2022 This book is a reflection on the meaning of spiritual darkness especially those difficult places in human experience where meaning seems to elude us where we are emptied out and are compelled to dig deeper into who we truly are Douglas E Christie takes up this facet of experience in ordinary human experience but also in relation to the Christian contemplative and mystical traditions where such experience is often understood to be both painful and transformative allowing the mind and heart to open in love Human Embrace Ronald L. Hall,2010-11-01 Starting from S ren Kierkegaard s insight that fully accepting the human condition requires one to live with the persistent temptation to escape from it Ronald Hall finds similar concerns reflected in the work of two modern day philosophers Stanley Cavell and Martha Nussbaum who equally find in a philosophy of love and marriage the key to understanding how humans may achieve

happiness in the acceptance of their humanity All three thinkers follow a logic of paradox in showing how success in the human quest to be human depends crucially on the struggle humans experience with the ever present opportunities to pursue alternative paths What Kierkegaard called living existentially can be achieved only after confronting and refusing the possibilities of living in aesthetic ethical or even religious denial of one's true humanity By creating this dialogue between the nineteenth century Danish thinker and two eminent twentieth century philosophers Hall reveals the continuing relevance of Kierkegaard's thought to our own age and its cogency as an interpretation of the human predicament *Complete Works* Angela (of Foligno),1993 Angela of Foligno c 1248-1309 is one of the most outstanding representatives of the Franciscan and Christian mystical tradition Her Book published here in English for the first time describes her passionate love affair with the suffering God-man and her teachings in the form of letters and exhortations to her spiritual progeny *Doing Philosophy at the Movies* Richard A. Gilmore,2012-02-01 *Doing Philosophy at the Movies* finds the roots of profound philosophical ideas in the relatively ordinary context of popular mostly Hollywood movies Richard A Gilmore suggests that narratives of popular films like Hitchcock's *Vertigo* John Ford's *The Searchers* Woody Allen's *Crimes and Misdemeanors* the Coen Brothers *Fargo* and Danny Boyle's *Trainspotting* mirror certain epiphanies in the works of great philosophers Via Plato Aristotle Kant Nietzsche Wittgenstein and Zizek Gilmore addresses such themes as the nature of philosophy the possibility of redemption through love catharsis the sublime and the human problem of death Gilmore argues that seeing these movies through the lens of certain philosophical ideas can show how deeply relevant both philosophy and the movies can be *The Complete Works of Elizabeth of the Trinity* volume 2 Elizabeth of the Trinity (Catez),2014-06-09 Blessed Elizabeth of the Trinity Elizabeth Catez is a mystic of our times who entered Carmel in 1901 at the age of twenty one and died there five years later Her biblical spirituality based on the epistles of her dear Saint Paul and the mystery of the divine indwelling has inspired countless Christians This second of three volumes of her *Complete Works* contains all of Elizabeth's surviving letters from Carmel along with 8 photos In simple and tender language writing to friends and family Elizabeth returns again and again to the great themes of her spirituality the indwelling Trinity silence and solitude living by love becoming a praise of glory laudem gloriae by sharing in the dying and rising of Jesus Christ Here too we find many of her best known sayings e.g. I have found my heaven on earth for heaven is God and God is in my soul In his introductions and careful notes Father Conrad De Meester O.C.D. explains the background of each of Elizabeth's letters from Carmel most of which have never before appeared in English Anne Englund Nash continues the style set in the first volume of the *Complete Works* presenting a translation that reflects both the literary nuances and spirit of the original French texts *Two Sisters in the Spirit* Hans Urs Von Balthasar,2012-11-07 Balthasar's unique volume on Therese of Lisieux and Elizabeth of the Trinity presents a theological biography of each of these holy Carmelite sisters which gives profound insights into their spirituality showing that their differences actually complement one another Balthasar probes the depths of the contemplative mission of each of these

young Carmelites who both died in their twenties and gave powerful witness to the critical importance of contemplation as a means to holiness. Each woman is clearly shown as a daughter of her Carmelite heritage with her own emphasis. Theresa's discovery of the little way of love and Elizabeth's focus on the indwelling of God in the soul.
