## **Love And Thunder Plays By Women In The Age Of Queen Anne:**

**Love and Thunder** Kendall,1988 Four plays of the Restoration period written by women      **Early Women Dramatists 1550-1801** Margarete Rubik,2016-01-14 A comprehensive survey of women s drama between the Renaissance and the end of the eighteenth century assessing the plays characteristic features and the ruptures in the text indicating the writers precarious social and artistic position and ambiguous stances to their own creativity and sex Chapters are devoted to individual writers as well as to general developments in specific periods The most significant plays are analysed in detail and related to the male literary canon of the time in order to stress both their originality and the existence of an albeit tentative female literary tradition      **Stuart Women Playwrights, 1613-1713** Pilar Cuder-Domínguez,2016-04-01 In the field of seventeenth century English drama women participated not only as spectators or readers but more and more as patronesses as playwrights and later on as actresses and even as managers This study examines English women writers tragedies and tragicomedies in the seventeenth century specifically between 1613 and 1713 which represent the publication dates of the first original tragedy Elizabeth Cary s *The Tragedy of Mariam* and the last one Anne Finch s *Aristomenes* written by a Stuart woman playwright Through this one hundred year period major changes in dramatic form and ideology are traced in women s tragedies and tragicomedies In examining the whole of the century from a gender perspective this project breaks away from conventional approaches to the subject which tend to establish an unbridgeable gap between the early Stuart period and the Restoration All in all this study represents a major overhaul of current theories of the evolution of English drama as well as offering an unprecedented reconstruction of the genealogy of seventeenth century English women playwrights

**Major Women Writers of Seventeenth-century England** James Fitzmaurice,1997 The first comprehensive anthology of seventeenth century English women writers      *Ottomiller's Index to Plays in Collections* John Henry Ottomiller,Denise L. previously neglected material such as the diplomatic correspondence between Queen Elizabeth I and the Ottoman Queen Mother Safiye at the end of the sixteenth century and resituates canonical accounts including Lady Mary Wortley Montagu's travelogue of the Ottoman empire at the beginning of the eighteenth century. Her study advances our understanding of how women negotiated conflicting discourses of gender, orientalism and imperialism at a time when the Ottoman empire was hugely powerful and England was still a marginal nation with limited global influence. This book is a significant contribution to critical and theoretical debates in literary and cultural postcolonial women's and Middle Eastern studies. *Ottomiller's Index to Plays in Collections* Denise L.
